FISCAL ANALYSIS

ASSUMPTION

Officials at the **Missouri Department of Transportation (MoDOT)** assume MoDOT's normal planning process includes analysis of all transportation users' needs on every project. During each project's development, MoDOT staff works to identify all needs, not just those of motorized traffic, to ensure projects are comprehensive in addressing appropriate facilities. This is done through a collaborative process involving locally elected officials, communities, users, advocacy groups, public meetings and all others potentially impacted.
