SECOND REGULAR SESSION HOUSE BILL NO. 1925

95TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVES LOW (Sponsor), WALTON GRAY, McNEIL, NEWMAN, PACE AND TALBOY (Co-sponsors).

3669L.01I

D. ADAM CRUMBLISS, Chief Clerk

AN ACT

To amend chapter 191, RSMo, by adding thereto one new section relating to product safety.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 191, RSMo, is amended by adding thereto one new section, to be 2 known as section 191.752, to read as follows:

191.752. 1. Beginning January 1, 2011, no person or entity shall manufacture, sell, 2 or distribute in commerce:

3 (1) Any bottle, cup, or other container that contains bisphenol-A at a level above
4 one-tenth parts per billion (ppb), if the container is designed or intended to be filled with
5 any liquid, food, or beverage primarily for consumption from such container by infants or
6 children three years of age or younger; or

7 (2) Any liquid, food, or beverage in a can, jar, or other container containing 8 bisphenol-A at a level above one-tenth parts per billion (ppb) if the liquid, food, or 9 beverage is designed or intended primarily for consumption by infants or children three 10 years of age or younger.

2. When replacing bisphenol-A in accordance with this section, manufacturers shall
 use the least toxic alternative. Manufacturers shall not replace bisphenol-A under this
 section with:

(1) Carcinogens rated by the United States Environmental Protection Agency as A,
 B, or C carcinogens, or substances listed as known or likely carcinogens, known to be
 human carcinogens, likely to be human carcinogens, or suggestive of being human

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

H.B. 1925

17 carcinogens, as described in the List of Chemicals Evaluated for Carcinogenic Potential

- 18 or known to this state to cause cancer; or
- 19 (2) Reproductive toxicants that cause birth defects, reproductive harm, or
- 20 developmental harm as identified by the United States Environmental Protection Agency

1

21 or included in the state drinking water regulations.
