115 9. An application for an absentee ballot by an interstate former resident, as defined in
116 section 115.275, shall be received in the office of the election authority where the applicant was
117 formerly registered by 5:00 p.m. on the Wednesday immediately prior to the election, unless the
118 application is made in person by the applicant in the office of the election authority, in which
119 case such application shall be made no later than 7:00 p.m. on the day of the election.

115.281. 1. **Except as provided in subsection 3 of this section**, not later than the sixth
2 Tuesday prior to each election, or within fourteen days after candidates' names or questions are
3 certified pursuant to section 115.125, the election authority shall cause to have printed and made
4 available a sufficient quantity of absentee ballots, ballot envelopes and mailing envelopes. As
5 soon as possible after the proper officer calls a special state or county election, the election
6 authority shall cause to have printed and made available a sufficient quantity of absentee ballots,
7 ballot envelopes and mailing envelopes.

8 2. All absentee ballots for an election shall be in the same form as the official ballots for
9 the election, except that in lieu of the words "Official Ballot" at the top of the ballot, the words
10 "Official Absentee Ballot" shall appear.

11 **3. Not later than forty-five days before each general, primary, and special election**
12 **for federal office, the election authority shall cause to have printed and made available a**
13 **sufficient quantity of absentee ballots, ballot envelopes, and mailing envelopes for absent**
14 **uniformed services voters and overseas voters and shall begin transmitting such ballots to**
15 **absent uniformed services and overseas voters who have submitted an absentee ballot**
16 **application.**

115.287. 1. Upon receipt of a signed application for an absentee ballot and if satisfied
2 the applicant is entitled to vote by absentee ballot, the election authority shall, within three
3 working days after receiving the application, or if absentee ballots are not available at the time
4 the application is received, within five working days after they become available, deliver to the
5 voter an absentee ballot, ballot envelope and such instructions as are necessary for the applicant
6 to vote. Delivery shall be made to the voter personally in the office of the election authority or
7 by bipartisan teams appointed by the election authority, or by first class, registered, or certified
8 mail at the discretion of the election authority, **or in the case of absent uniformed services**
9 **voters and overseas voters, by electronic transmission if electronic transmission is**
10 **requested by the voter.** Where the election authority is a county clerk, the members of
11 bipartisan teams representing the political party other than that of county clerk shall be selected
12 from a list of persons submitted to the county clerk by the county chairman of that party. If no
13 list is provided by the time that absentee ballots are to be made available, the county clerk may
14 select a person or persons from lists provided in accordance with section 115.087. If the election
15 authority is not satisfied that any applicant is entitled to vote by absentee ballot, it shall not
16 deliver an absentee ballot to the applicant. Within three working days of receiving such an
17 application, the election authority shall notify the applicant and state the reason he or she is not
18 entitled to vote by absentee ballot. The applicant may appeal the decision of the election
19 authority to the circuit court in the manner provided in section 115.223.

20 2. If, after 5:00 p.m. on the Wednesday before an election, any voter from the jurisdiction
21 has become hospitalized, becomes confined due to illness or injury, or is confined in an adult
22 boarding facility, intermediate care facility, residential care facility, or skilled nursing facility,
23 as defined in section 198.006, RSMo, in the county in which the jurisdiction is located or in the
24 jurisdiction or an adjacent election authority within the same county, the election authority shall
25 appoint a team to deliver, witness the signing of and return the voter's application and deliver,
26 witness the voting of and return the voter's absentee ballot. In counties with a charter form of
27 government and in cities not within a county, and in each city which has over three hundred

28 thousand inhabitants, and is situated in more than one county, if the election authority receives
29 ten or more applications for absentee ballots from the same address it may appoint a team to
30 deliver and witness the voting and return of absentee ballots by voters residing at that address,
31 except when such addresses are for an apartment building or other structure wherein individual
32 living units are located, each of which has its own separate cooking facilities. Each team
33 appointed pursuant to this subsection shall consist of two registered voters, one from each major
34 political party. Both members of any team appointed pursuant to this subsection shall be present
35 during the delivery, signing or voting and return of any application or absentee ballot signed or
36 voted pursuant to this subsection.

37 3. On the mailing and ballot envelopes for each applicant in federal service, the election
38 authority shall stamp prominently in black the words "FEDERAL BALLOT, STATE OF
39 MISSOURI" and "U.S. Postage Paid, 39 U.S.C. 3406".

40 4. No information which encourages a vote for or against a candidate or issue shall be
41 provided to any voter with an absentee ballot.

115.291. 1. Upon receiving an absentee ballot **in person or by mail**, the voter shall
2 mark the ballot in secret, place the ballot in the ballot envelope, seal the envelope and fill out the
3 statement on the ballot envelope. The affidavit of each person voting an absentee ballot shall
4 be subscribed and sworn to before the election official receiving the ballot, a notary public or
5 other officer authorized by law to administer oaths, unless the voter is voting absentee due to
6 incapacity or confinement due to the provisions of section 115.284, illness or physical disability,
7 **or the voter is an absent uniformed services voter or an overseas voter**. If the voter is blind,
8 unable to read or write the English language, or physically incapable of voting the ballot, the
9 voter may be assisted by a person of the voter's own choosing. Any person assisting a voter who
10 is not entitled to such assistance, and any person who assists a voter and in any manner coerces
11 or initiates a request or a suggestion that the voter vote for or against or refrain from voting on
12 any question, ticket or candidate, shall be guilty of a class one election offense. If, upon
13 counting, challenge or election contest, it is ascertained that any absentee ballot was voted with
14 unlawful assistance, the ballot shall be rejected.

15 2. **Except as provided in subsection 4 of this section**, each absentee ballot shall be
16 returned to the election authority in the ballot envelope and shall only be returned by the voter
17 in person, or in person by a relative of the voter who is within the second degree of consanguinity
18 or affinity, by mail or registered carrier or by a team of deputy election authorities; except that
19 persons in federal service, when sent from a location determined by the secretary of state to be
20 inaccessible on election day, shall be allowed to return their absentee ballots cast by use of
21 facsimile transmission or under a program approved by the Department of Defense for electronic
22 transmission of election materials.

23 3. In cases of an emergency declared by the President of the United States or the
24 governor of this state where the conduct of an election may be affected, the secretary of state may
25 provide for the delivery and return of absentee ballots by use of a facsimile transmission device
26 or system. Any rule promulgated pursuant to this subsection shall apply to a class or classes of
27 voters as provided for by the secretary of state.

28 **4. No election authority shall refuse to accept and process any otherwise valid**
29 **marked absentee ballot submitted in any manner by an absent uniformed services voter**
30 **or overseas voter solely on the basis of restrictions on envelope type.**

31 **5. As provided in the Military and Overseas Voter Empowerment Act, the secretary**
32 **of state shall, in coordination with local election authorities, develop a free access system**
33 **by which an absent uniformed services voter or overseas voter may determine whether the**
34 **voter's absentee ballot has been received by the appropriate election authority.**

115.292. 1. Notwithstanding any other provision of this chapter, a qualified absentee
2 voter[, as described in subsection 3 of this section,] may apply for a special write-in absentee
3 ballot within eighty days of a special, primary, or general election for federal office. Such a
4 ballot shall be for voting for all offices being contested at such election.

5 2. A qualified absentee voter applying for a special write-in absentee ballot pursuant to
6 this section shall apply to the local election authority of the area which contains his last residence
7 in this state for such ballot. The application for a special write-in absentee ballot may be made
8 on the federal postcard application form, by letter, or on a form provided by the local election
9 authority.

10 3. [In order to qualify for a special write-in absentee ballot, the voter shall state that he
11 is unable to vote by any other means due to requirements of military service or due to living in
12 isolated or extremely remote areas of the world. This statement may be made by federal postcard
13 application, by letter, or on a form prepared by the local election authority.

14 4.] Upon receipt of the application, the election authority shall issue a special write-in
15 absentee ballot. Such ballot shall permit the voter to cast a ballot by writing in a party preference
16 for each office, the names of specific candidates, or the names of persons whom the voter
17 prefers.

18 [5.] **4.** The election authority shall issue a regular absentee ballot as soon as such ballots
19 are available. If both the regular absentee ballot and the special write-in absentee ballot are
20 returned, the regular absentee ballot shall be counted and the special write-in absentee ballot
21 shall be voided.

22 **5. The special write-in absentee ballot provided for in this section shall be used**
23 **instead of the federal write-in absentee ballot in general, special, and primary elections for**
24 **federal office as authorized in Title 42, U.S.C. Section 1973ff-2(e), as amended.**

160.545. 1. There is hereby established within the department of elementary and secondary education the "A+ Schools Program" to be administered by the commissioner of education. The program shall consist of grant awards made to public secondary schools that demonstrate a commitment to ensure that:

(1) All students be graduated from school;

(2) All students complete a selection of high school studies that is challenging and for which there are identified learning expectations; and

(3) All students proceed from high school graduation to a college or postsecondary vocational or technical school or high-wage job with work place skill development opportunities.

2. The state board of education shall promulgate rules and regulations for the approval of grants made under the program to schools that:

(1) Establish measurable districtwide performance standards for the goals of the program outlined in subsection 1 of this section; and

(2) Specify the knowledge, skills and competencies, in measurable terms, that students must demonstrate to successfully complete any individual course offered by the school, and any course of studies which will qualify a student for graduation from the school; and

(3) Do not offer a general track of courses that, upon completion, can lead to a high school diploma; and

(4) Require rigorous coursework with standards of competency in basic academic subjects for students pursuing vocational and technical education as prescribed by rule and regulation of the state board of education; and

(5) Have a partnership plan developed in cooperation and with the advice of local business persons, labor leaders, parents, and representatives of college and postsecondary vocational and technical school representatives, with the plan then approved by the local board of education. The plan shall specify a mechanism to receive information on an annual basis from those who developed the plan in addition to senior citizens, community leaders, and teachers to update the plan in order to best meet the goals of the program as provided in subsection 1 of this section. Further, the plan shall detail the procedures used in the school to identify students that may drop out of school and the intervention services to be used to meet the needs of such students. The plan shall outline counseling and mentoring services provided to students who will enter the work force upon graduation from high school, address apprenticeship and intern programs, and shall contain procedures for the recruitment of volunteers from the community of the school to serve in schools receiving program grants.

3. A school district may participate in the program irrespective of its accreditation classification by the state board of education, provided it meets all other requirements.

36 4. By rule and regulation, the state board of education may determine a local school
37 district variable fund match requirement in order for a school or schools in the district to receive
38 a grant under the program. However, no school in any district shall receive a grant under the
39 program unless the district designates a salaried employee to serve as the program coordinator,
40 with the district assuming a minimum of one-half the cost of the salary and other benefits
41 provided to the coordinator. Further, no school in any district shall receive a grant under the
42 program unless the district makes available facilities and services for adult literacy training as
43 specified by rule of the state board of education.

44 5. For any school that meets the requirements for the approval of the grants authorized
45 by this section and specified in subsection 2 of this section for three successive school years, by
46 August first following the third such school year, the commissioner of education shall present
47 a plan to the superintendent of the school district in which such school is located for the waiver
48 of rules and regulations to promote flexibility in the operations of the school and to enhance and
49 encourage efficiency in the delivery of instructional services in the school. The provisions of
50 other law to the contrary notwithstanding, the plan presented to the superintendent shall provide
51 a summary waiver, with no conditions, for the pupil testing requirements pursuant to section
52 160.257 in the school. Further, the provisions of other law to the contrary notwithstanding, the
53 plan shall detail a means for the waiver of requirements otherwise imposed on the school related
54 to the authority of the state board of education to classify school districts pursuant to subdivision
55 (9) of section 161.092, RSMo, and such other rules and regulations as determined by the
56 commissioner of education, except such waivers shall be confined to the school and not other
57 schools in the school district unless such other schools meet the requirements of this subsection.
58 However, any waiver provided to any school as outlined in this subsection shall be void on June
59 thirtieth of any school year in which the school fails to meet the requirements for the approval
60 of the grants authorized by this section as specified in subsection 2 of this section.

61 6. For any school year, grants authorized by subsections 1 to 3 of this section shall be
62 funded with the amount appropriated for this program, less those funds necessary to reimburse
63 eligible students pursuant to subsection 7 of this section.

64 7. The commissioner of education shall, by rule and regulation of the state board of
65 education and with the advice of the coordinating board for higher education, establish a
66 procedure for the reimbursement of the cost of tuition, books and fees to any public community
67 college or vocational or technical school or within the limits established in subsection 9 of this
68 section for any two-year private vocational or technical school for any student:

69 (1) Who has attended a public high school in the state for at least three years immediately
70 prior to graduation that meets the requirements of subsection 2 of this section, except that
71 students who are active duty military dependents, **and students who are dependants of retired**

72 **military who relocate to Missouri within one year of the date of the parent's retirement**
73 **from active duty**, who, in the school year immediately preceding graduation, meet all other
74 requirements of this subsection and are attending a school that meets the requirements of
75 subsection 2 of this section shall be exempt from the three-year attendance requirement of this
76 subdivision; and

77 (2) Who has made a good faith effort to first secure all available federal sources of
78 funding that could be applied to the reimbursement described in this subsection; and

79 (3) Who has earned a minimal grade average while in high school as determined by rule
80 of the state board of education, and other requirements for the reimbursement authorized by this
81 subsection as determined by rule and regulation of said board.

82 8. The commissioner of education shall develop a procedure for evaluating the
83 effectiveness of the program described in this section. Such evaluation shall be conducted
84 annually with the results of the evaluation provided to the governor, speaker of the house, and
85 president pro tempore of the senate.

86 9. For a two-year private vocational or technical school to obtain reimbursements under
87 subsection 7 of this section, the following requirements shall be satisfied:

88 (1) Such two-year private vocational or technical school shall be a member of the North
89 Central Association and be accredited by the Higher Learning Commission as of July 1, 2008,
90 and maintain such accreditation;

91 (2) Such two-year private vocational or technical school shall be designated as a
92 501(c)(3) nonprofit organization under the Internal Revenue Code of 1986, as amended;

93 (3) No two-year private vocational or technical school shall receive tuition
94 reimbursements in excess of the tuition rate charged by a public community college for course
95 work offered by the private vocational or technical school within the service area of such college;
96 and

97 (4) The reimbursements provided to any two-year private vocational or technical school
98 shall not violate the provisions of article IX, section 8, or article I, section 7, of the Missouri
99 Constitution or the first amendment of the United States Constitution.

2 choose and control the burial, cremation, or other final disposition of a dead human body.

3 2. For purposes of this chapter and chapters 193, 333, and 436, RSMo, and in all cases
4 relating to the custody, control, and disposition of deceased human remains, including the
5 common law right of sepulcher, where not otherwise defined, the term "next-of-kin" means the
6 following persons in the priority listed if such person is eighteen years of age or older, is
7 mentally competent, and is willing to assume responsibility for the costs of disposition:

8 (1) An attorney in fact designated in a durable power of attorney wherein the deceased
9 specifically granted the right of sepulcher over his or her body to such attorney in fact;

10 (2) **For a decedent who was on active duty in the United States military at the time**

14 (3) The surviving spouse;

15 [(3)] (4) Any surviving child of the deceased. If a surviving child is less than eighteen
16 years of age and has a legal or natural guardian, such child shall not be disqualified on the basis
17 of the child's age and such child's legal or natural guardian, if any, shall be entitled to serve in
18 the place of the child unless such child's legal or natural guardian was subject to an action in
19 dissolution from the deceased. In such event the person or persons who may serve as next-of-kin
20 shall serve in the order provided in subdivisions [(4) to (8)] **(5) to (9)** of this subsection;

21 [(4)] **(5)** (a) Any surviving parent of the deceased; or

22 (b) If the deceased is a minor, a surviving parent who has custody of the minor; or

32 3. The next-of-kin of the deceased shall be entitled to control the final disposition of the
33 remains of any dead human being consistent with all applicable laws, including all applicable
34 health codes.

35 4. A funeral director or establishment is entitled to rely on and act according to the
36 lawful instructions of any person claiming to be the next-of-kin of the deceased; provided
37 however, in any civil cause of action against a funeral director or establishment licensed pursuant
38 to this chapter for actions taken regarding the funeral arrangements for a deceased person in the
39 director's or establishment's care, the relative fault, if any, of such funeral director or
40 establishment may be reduced if such actions are taken in reliance upon a person's claim to be
41 the deceased person's next-of-kin.

42 5. Any person who desires to exercise the right of sepulcher and who has knowledge of
43 an individual or individuals with a superior right to control disposition shall notify such
44 individual or individuals prior to making final arrangements.

45 6. If an individual with a superior claim is personally served with written notice from a
46 person with an inferior claim that such person desires to exercise the right of sepulcher and the
47 individual so served does not object within forty-eight hours of receipt, such individual shall be
48 deemed to have waived such right. An individual with a superior right may also waive such right
49 at any time if such waiver is in writing and dated.

50 7. If there is more than one person in a class who are equal in priority and the funeral
51 director has no knowledge of any objection by other members of such class, the funeral director
52 or establishment shall be entitled to rely on and act according to the instructions of the first such
53 person in the class to make arrangements; provided that such person assumes responsibility for
54 the costs of disposition and no other person in such class provides written notice of his or her
55 objection.

57 **the legion of merit medal may apply for special motor vehicle license plates for any vehicle**
58 **such person owns, either solely or jointly, other than an apportioned motor vehicle or a**
59 **commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight.**
60 **Any such person shall make application for the special license plates on a form provided**
61 **by the director of revenue and furnish such proof as a recipient of the legion of merit**
62 **medal as the director may require. The director shall then issue license plates bearing**
63 **letters or numbers or a combination thereof as determined by the advisory committee**
64 **established in section 301.129, with the words "LEGION OF MERIT" in place of the**
65 **words "SHOW-ME STATE". Such license plates shall be made with fully reflective**
66 **material with a common color scheme and design, shall be clearly visible at night, and shall**
67 **be aesthetically attractive, as prescribed by section 301.130. Such plates shall also bear an**

71 **person qualified under this section may obtain so long as each set of license plates issued**
72 **under this section is issued for vehicles owned solely or jointly by such person. License**
73 **plates issued under the provisions of this section shall not be transferable to any other**
74 **person except that any registered co-owner of the motor vehicle shall be entitled to operate**
75 **the motor vehicle with such plates for the duration of the year licensed in the event of the**
76 **death of the qualified person.**
