6 facility beds exceeds ninety percent for at least four consecutive calendar quarters, in a particular
7 county, and within a fifteen-mile radius of the proposed facility, and the facility otherwise

12 separate classification.
13 2. The Missouri health facilities review committee may, for any facility certified to it by
14 the department, consider the predominant ethnic or religious composition of the residents to be

16 3. [There shall be no expenditure minimum for facilities, beds, or services referred to in
17 subdivisions (1), (2) and (3) of section 197.317. The provisions of this subsection shall expire

25 hospital beds meeting the requirements described in 42 CFR, Section 412.23(e) under its criteria
26 and standards for long-term care beds.

27 [7.] 6. Sections 197.300 to 197.366 shall not be construed to apply to litigation pending
28 in state court on or before April 1, 1996, in which the Missouri health facilities review committee

31 [8.] 7. Notwithstanding any other provision of this chapter to the contrary:

32 (1) A facility licensed pursuant to chapter 198, RSMo, may increase its licensed bed

35 review committee;

36 (b) Certification from the division of aging that the facility:

37 a. Has no patient care class I deficiencies within the last eighteen months; and

38 b. Has maintained a ninety-percent average occupancy rate for the previous six quarters;

39 (c) Has made an effort to purchase beds for eighteen months following the date the letter
40 of intent to expand is submitted pursuant to paragraph (a) of this subdivision. For purposes of
41 this paragraph, an "effort to purchase" means a copy certified by the offeror as an offer to
42 purchase beds from another licensed facility in the same licensure category; and

43 (d) If an agreement is reached by the selling and purchasing entities, the health facilities
44 review committee shall issue a certificate of need for the expansion of the purchaser facility upon
45 surrender of the seller's license; or

46 (e) If no agreement is reached by the selling and purchasing entities, the health facilities
47 review committee shall permit an expansion for:

48 a. A facility with more than forty beds may expand its licensed bed capacity within the
49 same licensure category by twenty-five percent or thirty beds, whichever is greater, if that same
50 licensure category in such facility has experienced an average occupancy of ninety-three percent
51 or greater over the previous six quarters;

52 b. A facility with fewer than forty beds may expand its licensed bed capacity within the
53 same licensure category by twenty-five percent or ten beds, whichever is greater, if that same
54 licensure category in such facility has experienced an average occupancy of ninety-two percent
55 or greater over the previous six quarters;

56 c. A facility adding beds pursuant to subparagraphs a. or b. of this paragraph shall not
57 expand by more than fifty percent of its then licensed bed capacity in the qualifying licensure
58 category;

59 (2) Any beds sold shall, for five years from the date of relicensure by the purchaser,
60 remain unlicensed and unused for any long-term care service in the selling facility, whether they
61 do or do not require a license;

66 any portion of such facility's current licensed beds to any other facility to be licensed within the
67 same licensure category if both facilities are under the same licensure ownership or control, and
68 are located within six miles of each other;

69 (5) A facility licensed pursuant to chapter 198, RSMo, may transfer or sell individual
70 long-term care licensed beds to facilities qualifying pursuant to paragraphs (a) and (b) of
71 subdivision (1) of this subsection. Any facility which transfers or sells licensed beds shall not
72 expand its licensed bed capacity in that licensure category for a period of five years from the date
73 the licensure is relinquished.

74 [9.] 8. Any existing licensed and operating health care facility offering long-term care
75 services may replace one-half of its licensed beds at the same site or a site not more than thirty
76 miles from its current location if, for at least the most recent four consecutive calendar quarters,
77 the facility operates only fifty percent of its then licensed capacity with every resident residing
78 in a private room. In such case:

79 (1) The facility shall report to the division of aging vacant beds as unavailable for
80 occupancy for at least the most recent four consecutive calendar quarters;

81 (2) The replacement beds shall be built to private room specifications and only used for
82 single occupancy; and

83 (3) The existing facility and proposed facility shall have the same owner or owners,
84 regardless of corporate or business structure, and such owner or owners shall stipulate in writing
85 that the existing facility beds to be replaced will not later be used to provide long-term care
86 services. If the facility is being operated under a lease, both the lessee and the owner of the
87 existing facility shall stipulate the same in writing.

88 [10.] 9. Nothing in this section shall prohibit a health care facility licensed pursuant to
89 chapter 198, RSMo, from being replaced in its entirety within fifteen miles of its existing site so
90 long as the existing facility and proposed or replacement facility have the same owner or owners
91 regardless of corporate or business structure and the health care facility being replaced remains

92 unlicensed and unused for any long-term care services whether they do or do not require a license
93 from the date of licensure of the replacement facility.

2 notwithstanding, after December 31, 2001, the] term "health care facilities" in sections 197.300
3 to 197.366 shall mean:

6 section 198.012, RSMo;

12 board's funds for the preceding fiscal year or, if the board requires by rule license renewal less
13 frequently than yearly, then three times the appropriation from the board's funds for the preceding
14 fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which
15 exceeds the appropriate multiple of the appropriations from the board's funds for the preceding
16 fiscal year.

17 [3. Upon appointment by the governor and confirmation by the senate of the board, all
18 moneys deposited in the board of barbers fund created in section 328.050, RSMo, and the state

20 cosmetology and barber examiners fund created in subsection 1 of this section. The board of
21 barbers fund and the state board of cosmetology fund shall be abolished when all moneys are
22 transferred to the board of cosmetology and barber examiners fund.]

21 date of the suspension will be stayed until a final order is issued following the
22 hearing; however, any delay in the hearing which is caused or requested by the
23 subject person or counsel representing that person without good cause shown
24 shall not result in a stay of the suspension during the period of delay.

25 2. Neither the fact that, subsequent to the date of verification, the owner
26 acquired the required liability insurance policy nor the fact that the owner
27 terminated ownership of the motor vehicle shall have any bearing upon the
28 director's decision to suspend. The suspension shall remain in force until
29 termination despite the renewal of registration or acquisition of a new registration
30 for the motor vehicle. The suspension shall also apply to any motor vehicle to
31 which the owner transfers the registration.
