*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 173.1105, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 173.1105, to read as follows:

173.1105. 1. [Beginning with the 2007-08 academic year,] An applicant who is an undergraduate postsecondary student at an approved private or public institution and who meets the other eligibility criteria shall be eligible for financial assistance, with a minimum and maximum award amount as follows:

(1) **For academic years 2011-2012, 2012-2013, 2013-2014, and 2014-2015:**

(a) One thousand dollars maximum and three hundred dollars minimum for students attending institutions classified as part of the public two-year sector;

[(2)] (b) Two thousand one hundred fifty dollars maximum and one thousand dollars minimum for students attending institutions classified as part of the public four-year sector, including Linn State Technical College; and

[(3)] (c) Four thousand six hundred dollars maximum and two thousand dollars minimum for students attending approved private institutions.

(2) **For the 2015-16 academic year and subsequent years:**

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

14           (a) **One thousand two hundred fifty dollars maximum and three hundred dollars**  
15 **minimum for students attending institutions classified as part of the public two-year sector;**  
16 **and**

17           (b) **Two thousand eight hundred fifty dollars maximum and one thousand five**  
18 **hundred dollars minimum for students attending institutions classified as part of the public**  
19 **four-year sector, including Linn State Technical College, or approved private institutions.**

20           2. All students with an expected family contribution of twelve thousand dollars or less  
21 shall receive at least the minimum award amount for his or her institution. Maximum award  
22 amounts for an eligible student with an expected family contribution above seven thousand  
23 dollars shall be reduced by ten percent of the maximum expected family contribution for his or  
24 her increment group. Any award amount shall be reduced by the amount of a student's  
25 [reimbursement pursuant to section 160.545, RSMo] **payment from the A+ schools program**  
26 **or any successor program to it.** For purposes of this subsection, the term "increment group"  
27 shall mean a group organized by expected family contribution in five hundred dollar increments  
28 into which all eligible students shall be placed.

29           3. If appropriated funds are insufficient to fund the program as described, the maximum  
30 award shall be reduced across all sectors by the percentage of the shortfall. If appropriated funds  
31 exceed the amount necessary to fund the program, the additional funds shall be used to increase  
32 the number of recipients by raising the cutoff for the expected family contribution rather than by  
33 increasing the size of the award.

34           4. Every three years, beginning with academic year 2009-10, the award amount may be  
35 adjusted to increase no more than the Consumer Price Index for All Urban Consumers (CPI-U),  
36 1982-1984 = 100, not seasonally adjusted, as defined and officially recorded by the United States  
37 Department of Labor, or its successor agency, for the previous academic year. The coordinating  
38 board shall prepare a report prior to the legislative session for use of the general assembly and  
39 the governor in determining budget requests which shall include the amount of funds necessary  
40 to maintain full funding of the program based on the baseline established for the program upon  
41 the [passage] **effective date** of sections 173.1101 to 173.1107. Any increase in the award  
42 amount shall not become effective unless an increase in the amount of money appropriated to  
43 the program necessary to cover the increase in award amount is passed by the general assembly.
