

HB 1578 -- Fire Protection District Board Members

Sponsor: Calloway

Currently, a fire protection district board can have either three or five members serving six-year terms. This bill requires boards with three members to increase the number to five and to decrease the term of all members to three years at the next available election authorized for the district. Any district incorporated after August 28, 2010, will be required to have a five-member board serving three-year terms.
