

HB 1750 -- Telecommunications Exchange Access Rates

Sponsor: Jones (89)

This bill requires certain incumbent local exchange telecommunications companies to reduce, by December 31, 2010, and annually thereafter, both its composite originating and terminating intrastate switched exchange access rates by 10% of the difference between its current composite intrastate and the interstate switched exchange access rates. By December 31, 2014, the originating and terminating composite intrastate switched exchange access rates must be 50% of the current rates.
