

HB 1988 -- Disciplinary Actions Against Certain Licensed Professionals

Sponsor: Wasson

This bill requires the Division of Professional Registration within the Department of Insurance, Financial Institutions and Professional Registration or the appropriate licensing board to initiate a hearing before the division or the board for disciplinary action against a licensee's license or certificate upon receipt of certified court records of a full and final adjudication of a finding of guilt or a plea of guilty for certain specified offenses. The division must notify the licensee at least 30 days before the hearing and inform the licensee of his or her right to be represented by counsel. The division's decision will be subject to judicial review under Chapter 536, RSMo.
