

## HB 2139 -- Driver's License Examinations

Sponsor: Gatschenberger

This bill requires Missouri driver's license examinations to only be administered in English so that the applicant can demonstrate his or her ability to sufficiently understand highway traffic signs and safety warnings. The Director of the Department of Revenue cannot supply or permit the use of foreign language interpreters in connection with the required written and driving tests.

Any applicant taking the driving portion of the examination must pay a \$25 fee, and an applicant taking the written portion must pay \$15 to be appropriated to the State Highway Patrol for the administration of driver's license examinations.
