

HB 2238 -- Election Offenses

Sponsor: Burnett

This bill creates a class three election offense for giving, lending, agreeing to give or lend, offering, promising, or endeavoring to procure money or anything of value with the intent to induce a person to run for any office in this state if the person has the same or a similar name as another candidate for that office and would not otherwise run for office but for the inducement. Legally made campaign contributions will not be construed as an inducement to run for elective office under the provisions of the bill.
