

HB 2240 -- In-Lieu Watercraft Tax

Sponsor: Talboy

This bill eliminates the in-lieu watercraft tax for most watercraft purchased beginning January 1, 2011, and makes the owner liable for any state and local sales and use tax. The revenue from the state sales and use tax must be appropriated to provide assistance to victims of domestic violence or sexual abuse.

The bill contains a referendum clause and will be submitted to qualified voters in November 2010.
