

HB 2285 -- CONVEYANCE IN NODAWAY COUNTY

SPONSOR: Thomson

COMMITTEE ACTION: Voted "do pass by consent" by the Committee on Corrections and Public Institutions by a vote of 11 to 0.

This bill authorizes the Governor to convey to the City of Maryville a state-owned airplane hanger at the Maryville Airport in Nodaway County which was previously used by the Missouri National Guard. The conveyance also includes an easement allowing access to the property.

FISCAL NOTE: No impact on state funds in FY 2011, FY 2012, and FY 2013.

PROPONENTS: Supporters say that there is an old hanger located at the Maryville Airport which belongs to the Missouri National Guard that is no longer being used, and the guard would like to transfer it back to the city.

Testifying for the bill was Representative Thomson.

OPPONENTS: There was no opposition voiced to the committee.
