

HB 2329 -- Sibling Placement for Children

Sponsor: Franz

This bill requires the Children's Division within the Department of Social Services to make reasonable efforts to place siblings in the same foster care, kinship, guardianship, or adoptive placement unless doing so would be contrary to the safety or well-being of any of the siblings. If siblings are not placed together, the division must make reasonable efforts to provide frequent visitation or other ongoing interaction between siblings, unless this interaction would be contrary to a sibling's safety or well-being.
