

HB 2451 -- Controlled Substances Registration Database Fund

Sponsor: Jones (117)

This bill creates the Controlled Substances Registration Database Fund to implement a controlled substance database for the Bureau of Narcotics and Dangerous Drugs within the Department of Health and Senior Services. Beginning July 1, 2010, the fees collected by the department for the registration and control of the manufacture, distribution, and dispensing of controlled substances under Section 195.030, RSMo, will be apportioned as follows:

- (1) Moneys in an amount equal to the actual operating costs of administering these provisions will be retained by the bureau for administrative costs;
- (2) Any moneys in excess of the administrative costs are to be used for the development, implementation, and maintenance of a controlled substances database by the bureau; and
- (3) Any moneys in excess of those specified amounts after July 1, 2012, are to revert to the credit of the General Revenue Fund.

Moneys deposited into the fund are to be apportioned as follows:

- (1) From July 1, 2010, until June 30, 2012, all moneys in the fund are to be used to develop and implement the controlled substances database for the bureau; and
- (2) Beginning July 1, 2012, and each fiscal year thereafter, the bureau may retain \$100,000 a year for the maintenance of the database. Any excess moneys in the fund will revert to the credit of the General Revenue Fund.

The bill contains an emergency clause and becomes effective July 1, 2010, or upon passage and approval, whichever occurs later.
