

HJR 74 -- Health Care System Participation

Sponsor: Gatschenberger

Upon voter approval, this proposed constitutional amendment prohibits any person, employer, or health care provider from being compelled to participate in any health care system. Individuals and employers may pay directly for lawful health care services, and health care providers can accept payment for health care services from individuals or employers without being subject to fines or penalties. The purchase or sale of health insurance in private health care systems cannot be prohibited by law or rule.
