July 14, 2010

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **House Bill No. 1741** entitled:

"AN ACT"

To repeal section 351.340, RSMo, and to enact in lieu thereof one new section relating to board meetings of corporations.

I disapprove of **House Bill No. 1741**. My reasons for disapproval are as follows:

Under current law, a corporate board of directors may take action without a meeting if all members of the board consent in writing. Importantly, the written consent must set forth the action to be taken. **House Bill No. 1741** expands the means of communicating such consent to include electronic transmission. However, **House Bill No. 1741** also deletes the existing requirement that the directors' consent specifically set "forth the action so taken." The Model Business Corporations Act and the laws of other states require that the specific action be included in the consent. Indeed, the inclusion of such specificity is necessary to avoid ambiguity and confusion as to the scope and detail of the consent. Current law requires such specificity and its repeal cannot receive my approval.

In accordance with the above stated reasons for disapproval, I am returning **House Bill No. 1741** without my approval.

July 14, 2010

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Committee Substitute for House Committee Substitute for House Bill No. 1831** entitled:

"AN ACT"

To amend chapter 177, RSMo, by adding thereto one new section relating to real property donated to school districts.

I disapprove of **Senate Committee Substitute for House Committee Substitute for House Bill No. 1831**. My reasons for disapproval are as follows:

School districts are recipients of real property donated by individuals, businesses and community organizations. These parcels are used for a variety of purposes including infrastructure expansion, athletic fields, or future district needs. While the donation of real property constitutes a generous gesture by the donor and an opportunity for a school district to advance needed improvements, subsequent circumstances may dictate a school district transfer the property out of its holdings. Under existing law, a school district desiring to convey real property – be it acquired by purchase or donation – must do so through a process designed to provide the school district fair market value for the property. And, relevant to this legislation, a school district is not permitted under current law to simply return donated property to the previous owner.

**Senate Committee Substitute for House Committee Substitute for House Bill No. 1831** would create an exception for land acquired through donation by allowing a school district to transfer such property back to the previous owner under certain circumstances. This provision was drafted to address a specific parcel of land held by a particular school district. While the legislation would apparently satisfy the needs of that particular school district, the language is not limited to that school district or that parcel of land and could inflict unintended future hardship to other school districts in possession of donated real property.

**Senate Committee Substitute for House Committee Substitute for House Bill No. 1831** is problematic in several respects:

- The legislation precludes a school district from conveying donated real property until ten years have elapsed from the date of donation;

- The legislation requires that a school district, prior to selling property acquired through donation, must first offer to return the property to the previous owner. However, the legislation does not account for improvements made to the real property by the school district or allow the school district to be compensated if the previous owner accepts the property back; and
- The legislation requires the previous owner refuse to accept return of the property prior to the school board being authorized to sell the donated parcel. The bill contains no procedural mechanism for when the original donor cannot be found, is deceased, or is a defunct entity or organization. Moreover, the legislation fails to impose a time period during which the donor must decide to accept or decline the return of the real property. These oversights erect a potential bar to the school district's ability to sell unneeded property.

The purpose underlying this legislation to assist a specific school district transfer a particular parcel of property may be worthy. However, I cannot permit it to be accomplished at the risk of imposing future impediments to the other school districts of this state.

In accordance with the above stated reasons for disapproval, I am returning **Senate Committee Substitute for House Committee Substitute for House Bill No. 1831** without my approval.

Respectfully submitted,

I disapprove of **Senate Committee Substitute for House Committee Substitute for House Bill No. 1903**. My reasons for disapproval are as follows:

**Senate Committee Substitute for House Committee Substitute for House Bill No. 1903** creates two new accounts in the state treasury to receive federal funds under the American Recovery and Reinvestment Act of 2009. These new accounts would receive extension of the temporary increase in the Medicaid Federal Medical Assistance Percentage (FMAP) and moneys awarded to the state under the Race to the Top program. This expansion of funds in the state treasury is unnecessary and duplicative of legislation passed during the 2009 session. House Committee Substitute for Senate Committee Substitute for Senate Bill No. 313 passed during the First Regular Session of the 95<sup>th</sup> General Assembly created the Federal Budget Stabilization Fund and the Federal Stimulus Fund. These existing funds are the appropriate accounts to receive FMAP extension and Race to the Top funds.

In addition to **Senate Committee Substitute for House Committee Substitute for House Bill No. 1903** needlessly creating duplicative funds in the state treasury, the legislation also presents mechanical challenges. Under the bill, the Joint Committee on Education must approve the distribution of Race to the Top funds. This intrusion by the legislative branch into the duties of the executive branch is inconsistent with Article IV, Section 28 of the Missouri Constitution. Moreover, it is anticipated that the United States Department of Education will announce the next round of Race to the Top awards in September, 2010. If Missouri is successful, adherence to the violative approval process contained in **Senate Committee Substitute for House Committee Substitute for House Bill No. 1903** would unnecessarily delay the distribution of funds to the school districts of this state.

Finally, **Senate Committee Substitute for House Committee Substitute for House Bill No. 1903** provides that moneys remaining in the Race to the Top Fund at the end of the biennium shall revert to the credit of the general revenue fund. Such a transfer would violate federal law and subject the State of Missouri to possible sanctions by the federal government.

In accordance with the above stated reasons for disapproval, I am returning **Senate Committee Substitute for House Committee Substitute for House Bill No. 1903** without my approval.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon  
Governor

Section 7.840

I hereby veto \$295,287 Workers' Compensation Fund for three administrative law judges. The Division of Workers' Compensation is statutorily authorized a maximum of forty administrative law judges. Pursuant to Section 287.610.1, RSMo, the actual number of administrative law judges is determined through the appropriations process and "shall be based upon necessity..." Between 2005 and 2009, the division realized a 25% reduction in first reports of injury and a 28% decrease in the number of claims filed. As a result, the fiscal year 2010 budget eliminated five administrative law judge positions. My budget recommendations for fiscal year 2011 did not add any administrative law judge positions and, given the reduction in claims, a veto will not impact the department's ability to adjudicate workers' compensation cases.

Personal Services and/or Expense and Equipment by \$295,287 from \$9,321,650 to \$9,026,363 Workers' Compensation Fund.

From \$9,371,650 to \$9,076,363 Workers' Compensation Fund.

From \$9,376,650 to \$9,081,363 in total for the section.

On June 17, 2010, I approved said **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2007** except for those items specifically vetoed and not approved.

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Substitute for Senate Committee Substitute for House Bill No. 2317** entitled:

"AN ACT"

To amend chapter 8, RSMo, by adding thereto twelve new sections relating to state properties and the conveyance thereof.

I disapprove **Senate Substitute for Senate Committee Substitute for House Bill No. 2317**. My reasons for disapproval are as follows:

**Senate Substitute for Senate Committee Substitute for House Bill No. 2317** authorizes several land conveyances. In addition, it requires the Commissioner of the Office of Administration provide each member of the General Assembly with a key to the dome area of the state capitol. The well-founded concerns held by the Office of Administration, Missouri Department of Public Safety and Capitol Police over this provision have been repeated for years by multiple administrations. They range from inaccessibility to the dome area in the event of a medical emergency to the potential for security threats.

The land conveyances authorized in **Senate Substitute for Senate Committee Substitute for House Bill No. 2317** are also contained in Senate Committee Substitute for House Bill No. 2285. Both bills also include provisions relating to access to the dome area of the state capitol. However, only Senate Committee Substitute for House Bill No. 2285 includes a requirement for training on issues pertaining to secured areas of the capitol building. Broad access to the dome area is profoundly concerning and such access absent training and other safeguards is unacceptable on public safety grounds.

I disapprove **Senate Substitute for Senate Committee Substitute for House Bill No. 2317** with the knowledge that the land conveyances in that legislation were authorized on July 9, 2010, with my approval of Senate Committee Substitute for House Bill No. 2285.

In accordance with the above stated reasons for disapproval, I am returning **Senate Substitute for Senate Committee Substitute for House Bill No. 2317** without my approval.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon  
Governor
