5 section 302.010, of this state or any county or municipality of this state fails to dispose of the charges of
6 which the resident is accused through authorized prepayment of fine and court costs and fails to appear on

8 to pay any fine or court costs assessed against the resident for any such violation within the period of time

15 of such failure and of the pending charges against the defendant. Upon receipt of this notification, the
16 director shall suspend the license of the driver, effective immediately, and provide notice of the

31 from such violations in excess of thirty-five percent of the annual general operating revenue of the city,

12 event the fines and court costs exceed thirty-five percent of the entity's general revenue for the year, the
13 entity shall include with the annual report payment of the excess revenues to the director of the
14 department of revenue. Within thirty days of receipt of payment of the excess revenues, the director of the
15 department of revenue shall disburse the excess to the proper schools, as provided in subsection 2 of this
16 section. If any city, town, or village disputes a determination that it has received excess revenues required
17 to be sent to the department of revenue, such city, town, or village may submit to an annual audit by the
18 state auditor under the authority of article IV, section 13 of the Missouri Constitution. [Any rule or portion
