This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

Further amend said bill, page, Section 227.428, Line 5 by inserting after all of said section and line the following:

“301.032. 1. Notwithstanding the provisions of sections 301.030 and 301.035 to the contrary, the director of revenue shall establish a system of registration of all fleet vehicles owned or purchased by a fleet owner registered pursuant to this section. The director of revenue shall prescribe the forms for such fleet registration and the forms and procedures for the registration updates prescribed in this section. Any owner of ten or more motor vehicles which must be registered in accordance with this chapter may register as a fleet owner. All registered fleet owners may, at their option, register all motor vehicles included in the fleet on a calendar year or biennial basis pursuant to this section in lieu of the registration periods provided in sections 301.030, 301.035, and 301.147. The director shall issue an identification number to each registered owner of fleet vehicles.

2. All fleet vehicles included in the fleet of a registered fleet owner shall be registered during April each year or on a prorated basis as provided in subsection 3 of this section. Fees of all vehicles in the fleet to be registered on a calendar year basis or on a biennial basis shall be payable not later than the last day of April of each year, with two years' fees due for biennially-registered vehicles. Notwithstanding the provisions of section 307.355, an application for registration of a fleet vehicle must be accompanied by a certificate of inspection and approval issued no more than one hundred twenty days prior to the date of application. The fees for vehicles added to the fleet which must be licensed at the time of registration shall be payable at the time of registration, except that when such vehicle is licensed between July first and September thirtieth the fee shall be three-fourths the annual fee, when licensed between October first and December thirty-first the fee shall be one-half the annual fee and when licensed on or after January first the fee shall be one-fourth the annual fee. When biennial registration is sought for vehicles added to a fleet, an additional year's annual fee will be added to the partial year's prorated fee.

3. At any time during the calendar year in which an owner of a fleet purchases or otherwise acquires a vehicle which is to be added to the fleet or transfers plates to a fleet vehicle, the owner shall present to the director of revenue the identification number as a fleet number and may register the vehicle for the partial year as provided in subsection 2 of this section. The fleet owner shall also be charged a transfer fee of two dollars for each vehicle so transferred pursuant to this subsection.

4. Except as specifically provided in this subsection, all fleet vehicles registered pursuant to this section shall be issued a special license plate which shall have the words "Fleet Vehicle" in place of the words "Show-Me State" in the manner prescribed by the advisory committee established in section 301.129. Alternatively, for a one-time additional five dollar per-vehicle fee beyond the regular registration fee, owners of fleet vehicles may apply for fleet license plates bearing a company name or logo. All fleet license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Fleet vehicles shall be issued multiyear license plates as provided in this section which shall not require issuance of a renewal tab or window sticker. Upon payment of appropriate registration fees, the director of revenue shall issue a registration certificate or other suitable evidence of payment of the annual or biennial fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued. The director of revenue shall promulgate rules and regulations establishing the procedure for application and issuance of fleet vehicle license plates.

5. Notwithstanding the provisions of sections 307.350 to 307.390 to the contrary, a fleet vehicle

1 registered in Missouri is exempt from the requirements of sections 307.350 to 307.390, if at the time of
2 the annual fleet registration, such fleet vehicle is situated outside the state of Missouri.

3 301.130. 1. The director of revenue, upon receipt of a proper application for registration,
4 required fees and any other information which may be required by law, shall issue to the applicant a
5 certificate of registration in such manner and form as the director of revenue may prescribe and a set of
6 license plates, or other evidence of registration, as provided by this section. Each set of license plates
7 shall bear the name or abbreviated name of this state, the words "SHOW-ME STATE", the month and
8 year in which the registration shall expire, and an arrangement of numbers or letters, or both, as shall be
9 assigned from year to year by the director of revenue. The plates shall also contain fully reflective
10 material with a common color scheme and design for each type of license plate issued pursuant to this
11 chapter. The plates shall be clearly visible at night, and shall be aesthetically attractive. Special plates for
12 qualified disabled veterans will have the "DISABLED VETERAN" wording on the license plates in
13 preference to the words "SHOW-ME STATE" and special plates for members of the national guard will
14 have the "NATIONAL GUARD" wording in preference to the words "SHOW-ME STATE".

15 2. The arrangement of letters and numbers of license plates shall be uniform throughout each
16 classification of registration. The director may provide for the arrangement of the numbers in groups or
17 otherwise, and for other distinguishing marks on the plates.

18 3. All property-carrying commercial motor vehicles to be registered at a gross weight in excess of
19 twelve thousand pounds, all passenger-carrying commercial motor vehicles, local transit buses, school
20 buses, trailers, semitrailers, motorcycles, motortricycles, motorscooters and driveaway vehicles shall be
21 registered with the director of revenue as provided for in subsection 3 of section 301.030, or with the state
22 highways and transportation commission as otherwise provided in this chapter, but only one license plate
23 shall be issued for each such vehicle.

24 4. The plates issued to manufacturers
25 and dealers shall bear the letters and numbers as prescribed by section 301.560, and the director may place
26 upon the plates other letters or marks to distinguish commercial motor vehicles and trailers and other types
27 of motor vehicles.

28 5. No motor vehicle or trailer shall be operated on any highway of this state unless it shall have
29 displayed thereon the license plate or set of license plates issued by the director of revenue or the state
30 highways and transportation commission and authorized by section 301.140. Each such plate shall be
31 securely fastened to the motor vehicle or trailer in a manner so that all parts thereof shall be plainly visible
32 and reasonably clean so that the reflective qualities thereof are not impaired. Each such plate may be
33 encased in a transparent cover so long as the plate is plainly visible and its reflective qualities are not
34 impaired. License plates shall be fastened to all motor vehicles except trucks, tractors, truck tractors or
35 truck-tractors licensed in excess of twelve thousand pounds on the front and rear of such vehicles not less
36 than eight nor more than forty-eight inches above the ground, with the letters and numbers thereon right
37 side up. The license plates on trailers, motorcycles, motortricycles and motorscooters shall be displayed
38 on the rear of such vehicles, with the letters and numbers thereon right side up. The license plate on
39 buses, other than school buses, and on trucks, tractors, truck tractors or truck-tractors licensed in excess of
40 twelve thousand pounds shall be displayed on the front of such vehicles not less than eight nor more than
41 forty-eight inches above the ground, with the letters and numbers thereon right side up or if two plates are
42 issued for the vehicle pursuant to subsection 3 of this section, displayed in the same manner on the front
43 and rear of such vehicles. The license plate or plates authorized by section 301.140, when properly
44 attached, shall be prima facie evidence that the required fees have been paid.

45 6. (1) Beginning January 1, 2012, the director of revenue shall issue annually or biennially a [tab
46 or set of tabs] window sticker, to be placed on the front windshield of the motor vehicle, as provided by
47 law as evidence of the annual payment of registration fees and the current registration of a vehicle in lieu
48 of the set of plates. Notwithstanding the provisions of this section, motorcycles and trailers shall be
49 issued license plate tabs in lieu of window stickers. Beginning January 1, 2010, the director may
50 prescribe any additional information recorded on the tab or tabs or window sticker to ensure that the tab or
51 tabs or the window sticker positively correlate with the license plate or plates issued by the department of
revenue for such vehicle. Such tabs or window stickers shall be produced in each license bureau office.

(2) [The vehicle owner to whom a tab or set of tabs is issued shall affix and display such tab or tabs in the designated area of the license plate, no more than one per plate] The window sticker shall be placed on the inside front window in an area prescribed by the director of revenue. Tabs issued to motorcycles and trailers shall be affixed and displayed in the designated area of the license plate.

(3) A tab or [set of tabs] window sticker issued by the director of revenue when attached to a vehicle in the prescribed manner shall be prima facie evidence that the registration fee for such vehicle has been paid.

(4) Except as otherwise provided in this section, the director of revenue shall issue plates for a period of at least six years.

(5) For those commercial motor vehicles and trailers registered pursuant to section 301.041, the plate issued by the highways and transportation commission shall be a permanent nonexpiring license plate for which no tabs or window sticker shall be issued. Nothing in this section shall relieve the owner of any vehicle permanently registered pursuant to this section from the obligation to pay the annual registration fee due for the vehicle. The permanent nonexpiring license plate shall be returned to the highways and transportation commission upon the sale or disposal of the vehicle by the owner to whom the permanent nonexpiring license plate is issued, or the plate may be transferred to a replacement commercial motor vehicle when the owner files a supplemental application with the Missouri highways and transportation commission for the registration of such replacement commercial motor vehicle. Upon payment of the annual registration fee, the highways and transportation commission shall issue a certificate of registration or other suitable evidence of payment of the annual fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued.

(6) Upon the sale or disposal of any vehicle permanently registered under this section, or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued for such vehicle shall be returned to the highways and transportation commission and shall not be valid for operation of such vehicle, or the plate may be transferred to a replacement vehicle when the owner files a supplemental application with the Missouri highways and transportation commission for the registration of such replacement vehicle. If a vehicle which is permanently registered under this section is sold, wrecked or otherwise disposed of, or the lease terminated, the registrant shall be given credit for any unused portion of the annual registration fee when the vehicle is replaced by the purchase or lease of another vehicle during the registration year.

7. The director of revenue and the highways and transportation commission may prescribe rules and regulations for the effective administration of this section. [No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.] Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2011, shall be invalid and void.

8. Notwithstanding the provisions of any other law to the contrary, owners of motor vehicles other than apportioned motor vehicles or commercial motor vehicles licensed in excess of eighteen thousand pounds gross weight may apply for special personalized license plates. Vehicles licensed for eighteen thousand pounds that display special personalized license plates shall be subject to the provisions of subsections 1 and 2 of section 301.030.

9. No later than January 1, 2009, the director of revenue shall commence the reissuance of new license plates of such design as directed by the director consistent with the terms, conditions, and provisions of this section and this chapter. Except as otherwise provided in this section, in addition to all other fees required by law, applicants for registration of vehicles with license plates that expire during the period of reissuance, applicants for registration of trailers or semitrailers with license plates that expire during the period of reissuance and applicants for registration of vehicles that are to be issued new license

plates during the period of reissuance shall pay the cost of the plates required by this subsection. The additional cost prescribed in this subsection shall not be charged to persons receiving special license plates issued under section 301.073 or 301.443. Historic motor vehicle license plates registered pursuant to section 301.131 and specialized license plates are exempt from the provisions of this subsection. Except for new, replacement, and transfer applications, permanent nonexpiring license plates issued to commercial motor vehicles and trailers registered under section 301.041 are exempt from the provisions of this subsection.

301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates and window sticker shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. A window sticker shall not be required during the thirty-day time frame. As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, and payment of a fee as prescribed in section 301.300 for a replacement window sticker, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars, the fee prescribed in section 301.300 for a replacement window sticker, and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars, and payment of a fee as prescribed in section 301.300 for a replacement window sticker, if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars, the fee prescribed in section 301.300 for a replacement window sticker, and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. Upon the sale of a motor vehicle or trailer by a dealer, a buyer who has made application for registration, by mail or otherwise, may operate the same for a period of thirty days after taking possession thereof, if during such period the motor vehicle or trailer shall have attached thereto, in the manner required by section 301.130, number plates issued to the dealer. Upon application and presentation of proof of financial responsibility as required under subsection 5 of this section and satisfactory evidence that the buyer has applied for registration, a dealer may furnish such number plates to the buyer for such temporary use. In such event, the dealer shall require the buyer to deposit the sum of ten dollars and fifty cents to be returned to the buyer upon return of the number plates as a guarantee that said buyer will return to the dealer such number plates within thirty days. The director shall issue a temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days of the date

1 of purchase.

2 5. The temporary permit shall be made available by the director of revenue and may be purchased
3 from the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer
4 has no registration plate available for transfer and upon proof of financial responsibility, or from a dealer
5 upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for
6 transfer. The director shall make temporary permits available to registered dealers in this state or
7 authorized agents of the department of revenue in sets of ten permits. The fee for the temporary permit
8 shall be seven dollars and fifty cents for each permit or plate issued. No dealer or authorized agent shall
9 charge more than seven dollars and fifty cents for each permit issued. The permit shall be valid for a
10 period of thirty days from the date of purchase of a motor vehicle or trailer, or from the date of sale of the
11 motor vehicle or trailer by a dealer for which the purchaser obtains a permit as set out above. No permit
12 shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility.

13 6. The permit shall be issued on a form prescribed by the director and issued only for the applicant's use
14 in the operation of the motor vehicle or trailer purchased to enable the applicant to legally operate the
15 vehicle while proper title and registration plate are being obtained, and shall be displayed on no other
16 vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable and
17 shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director
18 shall determine the size and numbering configuration, construction, and color of the permit.

19 7. The dealer or authorized agent shall insert the date of issuance and expiration date, year, make,
20 and manufacturer's number of vehicle on the permit when issued to the buyer. The dealer shall also insert
21 such dealer's number on the permit. Every dealer that issues a temporary permit shall keep, for inspection
22 of proper officers, a correct record of each permit issued by recording the permit or plate number, buyer's
23 name and address, year, make, manufacturer's vehicle identification number on which the permit is to be
24 used, and the date of issuance.

25 8. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner
26 cannot transfer the license plates due to a change of vehicle category, the owner may surrender the license
27 plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee
28 against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the
29 license plates are surrendered. No refunds shall be made on the unused portion of any license plates
30 surrendered for such credit.

31 301.160. Upon approval of the application for registration of a motor vehicle or trailer and when
32 the required fee has been paid to the department of revenue, the department shall forward or deliver to the
33 applicant the registration receipt and the number of license plates prescribed for the vehicle or trailer by
34 section 301.130, or renewal tabs or window stickers if appropriate. The attachment to the motor vehicle
35 or trailer specified in the application of current license plates shall be prima facie evidence that the fees
36 have been paid for such license.

37 301.290. 1. Correctional enterprises of the department of corrections shall purchase, erect and
38 maintain all of the machinery and equipment necessary for the manufacture of the license plates [and],
39 tabs, and window stickers issued by the director of revenue, and of signs used by the state transportation
40 department. [Beginning on January 1, 2011, correctional enterprises shall no longer erect and maintain
41 tabs for the department of revenue.]

42 2. The director of revenue shall procure all plates issued by [him] the director, and the state
43 transportation department shall procure all signs used by it from correctional enterprises, unless an
44 emergency arises and correctional enterprises cannot furnish the plates, tabs, window stickers, or signs.

45 3. Correctional enterprises shall furnish the plates and signs at such a price as will not exceed the
46 price at which such plates and signs may be obtained upon the open market, but in no event shall such
47 price be less than the cost of manufacture, including labor and materials.

48 4. All moneys derived from the sale of the plates, tabs, window stickers, and signs shall be paid
49 into the state treasury to the credit of the working capital revolving fund as provided in section 217.595.

50 301.300. 1. In event of the loss, theft, mutilation or destruction of any certificate of ownership,
51 number plate, tab [or set of tabs] or window sticker issued by the director of revenue, the lawful holder

thereof shall, within five days, file with the director of revenue, an affidavit showing such fact, and shall, on the payment of a fee of eight dollars and fifty cents, obtain a duplicate or replacement of such plate, certificate, tab [or set of tabs] or window sticker. Any duplicate certificate issued for any "motor vehicle primarily for business use", as defined in section 301.010, shall be issued only to the owner of record.

2. Upon filing affidavit of lost, stolen, mutilated or destroyed certificate of registration, the director of revenue shall issue to the lawful owner a duplicate or replacement thereof upon payment of a fee of eight dollars and fifty cents.

3. Vehicle owners who elect not to transfer or renew multiyear plates shall be charged a fee equal to that charged for a lost plate in addition to the registration fee prescribed by law at the time the new plate or plates are issued.

4. Notwithstanding subsection 1 of this section, a new or used motor vehicle dealer may obtain a duplicate or replacement title in the owner's name if the owner's title has been lost, stolen, mutilated, or destroyed and is not available for assignment. In order to obtain the duplicate or replacement title from the department of revenue, the licensed dealer shall procure a power of attorney from the owner authorizing the dealer to obtain a duplicate or replacement title in the owner's name and sign any title assignments on the owner's behalf. The application to the department of revenue for the duplicate or replacement title shall be accompanied by the executed power of attorney, or a copy thereof, and the application shall contain the appropriate mailing address of the dealer. The director of the department of revenue is authorized to make all necessary rules and regulations for the administration of this subsection, and shall design all necessary forms required by this subsection. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

301.301. 1. Any person replacing a stolen license plate tab or window sticker issued on or after January 1, 2009, may receive at no cost up to two [sets of two] license plate tabs or window stickers per year when the application for the replacement tab or sticker is accompanied with a police report that is corresponding with the stolen license plate tab or window sticker.

2. Any person replacing a stolen license plate tab issued prior to January 1, 2009, may receive at no cost up to two sets of two license plate tabs per year when the application for the replacement tab is accompanied with a notarized affidavit verifying that such license plate tab or tabs were stolen.

301.302. A citation shall not be issued to any person stopped by law enforcement for a missing license plate tab or [tabs] window sticker if such person indicates that the tab or [tabs have] window sticker has been stolen and a check on such person's vehicle registration reveals that the vehicle is properly registered. A law enforcement officer may issue a warning under these circumstances. In the event a citation is improperly issued to a person for a missing [tabs] tab or window sticker when the requirements of this section are met, any court costs shall be waived.”; and
