AMEND House Committee Substitute for House Bill No. 430, Page 2, Section 301.3084, Line 33  
by inserting after all of said section and line the following:

“301.4036. 1. Notwithstanding any other provision of law, any member of the National  
Wild Turkey Federation, after an annual payment of an emblem-use fee to the National Wild  
Turkey Federation, may receive personalized specialty license plates for any vehicle the member  
owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor  
vehicle licensed in excess of eighteen thousand pounds gross weight. The National Wild Turkey  
Federation hereby authorizes the use of its official emblem to be affixed on multiyear  
personalized specialty license plates as provided in this section. Any contribution to the National  
Wild Turkey Federation derived from this section, except reasonable administrative costs, shall be  
used solely for the purposes of the National Wild Turkey Federation. Any member of the  
National Wild Turkey Federation may annually apply for the use of the emblem.

2. Upon annual application and payment of a fifteen dollar emblem-use contribution to  
the National Wild Turkey Federation, the National Wild Turkey Federation shall issue to the  
vehicle owner, without further charge, an emblem-use authorization statement, which shall be  
presented by the vehicle owner to the director of revenue at the time of registration. Upon  
presentation of the annual emblem-use authorization statement and payment of a fifteen-dollar fee  
in addition to the regular registration fees, and presentation of any documents which may be  
required by law, the director of revenue shall issue to the vehicle owner a personalized specialty  
license plate which shall bear the emblem of the National Wild Turkey Federation. Such license  
plates shall be made with fully reflective material with a common color scheme and design, shall

1 be clearly visible at night, and shall be aesthetically attractive, and prescribed by section 301.130.

2 In addition, upon each set of license plates shall be inscribed, in lieu of the words "SHOW-ME  
3 STATE", the words "National Wild Turkey Federation". Notwithstanding the provisions of  
4 section 301.144, no additional fee shall be charged for the personalized specialty plates issued  
5 under this section.

6 3. A vehicle owner who was previously issued a plate with the National Wild Turkey  
7 Federation's emblem authorized by this section, but who does not provide an emblem-use  
8 authorization statement at a subsequent time of registration, shall be issued a new plate which  
9 does not bear the National Wild Turkey Federation's emblem, as otherwise provided by law. The  
10 director of revenue shall make necessary rules and regulations for the enforcement of this section,  
11 and shall design all necessary forms required by this section.

12 4. Prior to the issuance of a National Wild Turkey Federation specialty plate authorized  
13 under this section, the department of revenue must be in receipt of an application, as prescribed by  
14 the director, which shall be accompanied by a list of at least two hundred potential applicants who  
15 plan to purchase the specialty plate, the proposed art design for the specialty license plate, and an  
16 application fee, not to exceed five thousand dollars, to defray the department's cost for issuing,  
17 developing, and programming the implementation of the specialty plate. Once the plate design is  
18 approved, the director of revenue shall not authorize the manufacture of the material to produce  
19 such personalized specialty license plates with the individual seal, logo, or emblem until such  
20 time as the director has received two hundred applications, the fifteen dollar specialty plate fee per  
21 application, and emblem-use statements, if applicable, and other required documents or fees for  
22 such plates.”; and

23 Further amend said bill by amending the title, enacting clause, and intersectional references  
24 accordingly.
