FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator, Office of Prosecution Services, Office of the State Public Defender** and the **Department of Public Safety (Missouri Highway Patrol, Capitol Police, Division of Fire Safety, and the Division of Alcohol and Tobacco Control)** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Department of Public Safety - Director's Office** assume that any costs associated with this proposal can be absorbed with existing resources.

Officials from the **Office of the Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the Secretary of State's Office for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials from the **Office of the Attorney General** did not respond to our request for fiscal impact.
