

FIRST REGULAR SESSION
HOUSE COMMITTEE SUBSTITUTE FOR
SENATE JOINT RESOLUTION NO. 2
96TH GENERAL ASSEMBLY

0282L.02C

D. ADAM CRUMBLISS, Chief Clerk

JOINT RESOLUTION

Submitting to the qualified voters of Missouri, an amendment to article VIII of the Constitution of Missouri, and adopting four new sections relating to voter identification.

Be it resolved by the House of Representatives, the Senate concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2012, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to article VIII of the Constitution of the state of Missouri:

Section A. Article VIII, Constitution of Missouri, is amended by adding four new sections, to be known as sections 8, 9, 10, and 11, to read as follows:

Section 8. Qualified electors of the state may be enabled by general law to vote in person in advance of election day at all elections by the people according to the following terms:

1. Advance voting may be permitted from the third Saturday before the election until the first Tuesday before the election excluding Sundays.

2. Advance voting may be conducted at such locations as are determined by general law to be necessary or desirable to balance reasonable access to advance voting, accountability, integrity, and security of the election, efficiency in the administration of the election, and appropriate and responsible uses of public funds and other resources. The number of advance voting sites may vary depending on expected voter turnout for an election. A general law that requires election authorities to establish a certain number of advance voting sites based solely on the number of registered voters in an election jurisdiction conflicts with this subsection and is not valid.
