135.100. As used in sections 135.100 to 135.150 the following terms shall mean:

(1) "Commencement of commercial operations" shall be deemed to occur during the first taxable year for which the new business facility is first available for use by the taxpayer, or first capable of being used by the taxpayer, in the revenue-producing enterprise in which the taxpayer intends to use the new business facility;

(2) "Existing business facility", any facility in this state which was employed by the taxpayer claiming the credit in the operation of a revenue-producing enterprise immediately prior to an expansion, acquisition, addition, or replacement;

(3) "Facility", any building used as a revenue-producing enterprise located within the state, including the land on which the facility is located and all machinery, equipment and other real and depreciable tangible personal property acquired for use at and located at or within such facility and used in connection with the operation of such facility;

(4) **"NAICS", the North American Industrial Classification System as such classifications are defined in the 2007 edition of the North American Industrial Classification System;**

(5) "New business facility", a facility which satisfies the following requirements:

(a) Such facility is employed by the taxpayer in the operation of a revenue-producing enterprise. Such facility shall not be considered a new business facility in the hands of the taxpayer if the taxpayer's only activity with respect to such facility is to lease it to another person or persons. If the taxpayer employs only a portion of such facility in the operation of a revenue-producing enterprise, and leases another portion of such facility to another person or persons or does not otherwise use such other portions in the operation of a revenue-producing enterprise, the portion employed by the taxpayer in the operation of a revenue-producing enterprise shall be considered a new business facility, if the requirements of paragraphs (b), (c), (d) and (e) of this subdivision are satisfied;

(b) Such facility is acquired by, or leased to, the taxpayer after December 31, 1983. A facility shall be deemed to have been acquired by, or leased to, the taxpayer after December 31, 1983, if the transfer of title to the taxpayer, the transfer of possession pursuant to a binding contract to transfer title to the taxpayer, or the commencement of the term of the lease to the taxpayer occurs after December 31, 1983, or, if the facility is constructed, erected or installed by or on behalf of the taxpayer, such construction, erection or installation is commenced after December 31, 1983;

(c) If such facility was acquired by the taxpayer from another person or persons and such facility was employed immediately prior to the transfer of title to such facility to the taxpayer, or to the commencement of the term of the lease of such facility to the taxpayer, by any other person or persons in the operation of a revenue-producing enterprise, the operation of the same or a substantially similar revenue-producing enterprise is not continued by the taxpayer at such facility;

(d) Such facility is not a replacement business facility, as defined in subdivision **[**(10)**]** **(11)** of this section; and

(e) The new business facility investment exceeds one hundred thousand dollars during the tax period in which the credits are claimed;

[(5)**] (6)** "New business facility employee", a person employed by the taxpayer in the operation of a new business facility during the taxable year for which the credit allowed by section 135.110 is claimed, except that truck drivers and rail and barge vehicle operators shall not constitute new business facility employees. A person shall be deemed to be so employed if such person performs duties in connection with the operation of the new business facility on:

(a) A regular, full-time basis; or

(b) A part-time basis, provided such person is customarily performing such duties an average of at least twenty hours per week; or

(c) A seasonal basis, provided such person performs such duties for at least eighty percent of the season customary for the position in which such person is employed;

[(6)**] (7)** "New business facility income", the Missouri taxable income, as defined in chapter 143, derived by the taxpayer from the operation of the new business facility. For the purpose of apportionment as prescribed in this subdivision, the term "Missouri taxable income" means, in the case of insurance companies, direct premiums as defined in chapter 148. If a taxpayer has income derived from the operation of a new business facility as well as from other activities conducted within this state, the Missouri taxable income derived by the taxpayer from the operation of the new business facility shall be determined by multiplying the taxpayer's Missouri taxable income, computed in accordance with chapter 143, or in the case of an insurance company, computed in accordance with chapter 148, by a fraction, the numerator of which is the property factor, as defined in paragraph (a) of this subdivision, plus the payroll factor, as defined in paragraph (b) of this subdivision, and the denominator of which is two:

(a) The property factor is a fraction, the numerator of which is the new business facility investment certified for the tax period, and the denominator of which is the average value of all the taxpayer's real and depreciable tangible personal property owned or rented and used in this state during the tax period. The average value of all such property shall be determined as provided in chapter 32;

(b) The payroll factor is a fraction, the numerator of which is the total amount paid during the tax period by the taxpayer for compensation to persons qualifying as new business facility employees, as determined by subsection 4 of section 135.110, at the new business facility, and the denominator of which is the total amount paid in this state during the tax period by the taxpayer for compensation. The compensation paid in this state shall be determined as provided in chapter 32. For the purpose of this subdivision, "other activities conducted within this state" shall include activities previously conducted at the expanded, acquired or replaced facility at any time during the tax period immediately prior to the tax period in which commencement of commercial operations occurred;

[(7)**] (8)** "New business facility investment", the value of real and depreciable tangible personal property, acquired by the taxpayer as part of the new business facility, which is used by the taxpayer in the operation of the new business facility, during the taxable year for which the credit allowed by section 135.110 is claimed, except that trucks, truck-trailers, truck semitrailers, rail vehicles, barge vehicles, aircraft and other rolling stock for hire, track, switches, barges, bridges, tunnels and rail yards and spurs shall not constitute new business facility investments. The total value of such property during such taxable year shall be:

(a) Its original cost if owned by the taxpayer; or

(b) Eight times the net annual rental rate, if leased by the taxpayer. The net annual rental rate shall be the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The new business facility investment shall be determined by dividing by twelve the sum of the total value of such property on the last business day of each calendar month of the taxable year. If the new business facility is in operation for less than an entire taxable year, the new business facility investment shall be determined by dividing the sum of the total value of such property on the last business day of each full calendar month during the portion of such taxable year during which the new business facility was in operation by the number of full calendar months during such period;

[(8)**] (9)** "Office", a regional, national or international headquarters, a telemarketing operation, a computer operation, an insurance company, a passenger transportation ticket/reservation system or a credit card billing and processing center. For the purposes of this subdivision, "headquarters" means the administrative management of at least four integrated facilities operated by the taxpayer or related taxpayer. An office, as defined in this subdivision, when established must create and maintain positions for a minimum number of twenty-five new business facility employees as defined in subdivision **[**(5)**] (6)** of this section;

[(9)**] (10)** "Related taxpayer" shall mean:

(a) A corporation, partnership, trust or association controlled by the taxpayer;

(b) An individual, corporation, partnership, trust or association in control of the taxpayer; or

(c) A corporation, partnership, trust or association controlled by an individual, corporation, partnership, trust or association in control of the taxpayer. For the purposes of sections 135.100 to 135.150, "control of a corporation" shall mean ownership, directly or indirectly, of stock possessing at least fifty percent of the total combined voting power of all classes of stock entitled to vote; "control of a partnership or association" shall mean ownership of at least fifty percent of the capital or profits interest in such partnership or association; and "control of a trust" shall mean ownership, directly or indirectly, of at least fifty percent of the beneficial interest in the principal or income of such trust; ownership shall be determined as provided in Section 318 of the U.S. Internal Revenue Code;

[(10)**] (11)** "Replacement business facility", a facility otherwise described in subdivision **[**(4)**] (3)** of this section, hereafter referred to in this subdivision as "new facility", which replaces another facility, hereafter referred to in this subdivision as "old facility", located within the state, which the taxpayer or a related taxpayer previously operated but discontinued operating on or before the close of the first taxable year in which the credit allowed by this section is claimed. A new facility shall be deemed to replace an old facility if the following conditions are met:

(a) The old facility was operated by the taxpayer or a related taxpayer during the taxpayer's or related taxpayer's taxable period immediately preceding the taxable year in which commencement of commercial operations occurs at the new facility; and

(b) The old facility was employed by the taxpayer or a related taxpayer in the operation of a revenue-producing enterprise and the taxpayer continues the operation of the same or substantially similar revenue-producing enterprise at the new facility. Notwithstanding the preceding provisions of this subdivision, a facility shall not be considered a replacement business facility if the taxpayer's new business facility investment, as computed in subsection 5 of section 135.110, in the new facility during the tax period in which the credits allowed in sections 135.110, 135.225 and 135.235 and the exemption allowed in section 135.220 are claimed exceed one million dollars or, if less, two hundred percent of the investment in the old facility by the taxpayer or related taxpayer, and if the total number of employees at the new facility exceeds the total number of employees at the old facility by at least two except that the total number of employees at the new facility exceeds the total number of employees at the old facility by at least twenty-five if an office as defined in subdivision **[**(8)**] (9)** of this section is established by a revenue-producing enterprise other than a revenue-producing enterprise defined in paragraphs (a) to (g) and (i) to (l) of subdivision **[**(11)**] (12)** of this section;

[(11)**] (12)** "Revenue-producing enterprise" means:

(a) Manufacturing activities classified as **[**SICs 20 through 39**] NAICS 31-33**;

[135.100. As used in sections 135.100 to 135.150 the following terms shall mean:

(1) "Commencement of commercial operations" shall be deemed to occur during the first taxable year for which the new business facility is first available for use by the taxpayer, or first capable of being used by the taxpayer, in the revenue-producing enterprise in which the taxpayer intends to use the new business facility;

(3) "Facility", any building used as a revenue-producing enterprise located within the state, including the land on which the facility is located and all machinery, equipment and other real and depreciable tangible personal property acquired for use at and located at or within such facility and used in connection with the operation of such facility;

(4) "New business facility", a facility which satisfies the following requirements:

(a) Such facility is employed by the taxpayer in the operation of a revenue-producing enterprise. Such facility shall not be considered a new business facility in the hands of the taxpayer if the taxpayer's only activity with respect to such facility is to lease it to another person or persons. If the taxpayer employs only a portion of such facility in the operation of a revenue-producing enterprise, and leases another portion of such facility to another person or persons or does not otherwise use such other portions in the operation of a revenue-producing enterprise, the portion employed by the taxpayer in the operation of a revenue-producing enterprise shall be considered a new business facility, if the requirements of paragraphs (b), (c), (d) and (e) of this subdivision are satisfied;

(b) Such facility is acquired by, or leased to, the taxpayer after December 31, 1983. A facility shall be deemed to have been acquired by, or leased to, the taxpayer after December 31, 1983, if the transfer of title to the taxpayer, the transfer of possession pursuant to a binding contract to transfer title to the taxpayer, or the commencement of the term of the lease to the taxpayer occurs after December 31, 1983, or, if the facility is constructed, erected or installed by or on behalf of the taxpayer, such construction, erection or installation is commenced after December 31, 1983;

(c) If such facility was acquired by the taxpayer from another person or persons and such facility was employed immediately prior to the transfer of title to such facility to the taxpayer, or to the commencement of the term of the lease of such facility to the taxpayer, by any other person or persons in the operation of a revenue-producing enterprise, the operation of the same or a substantially

similar revenue-producing enterprise is not continued by the taxpayer at such facility;

(e) The new business facility investment exceeds one hundred thousand dollars during the tax period in which the credits are claimed;

(5) "New business facility employee", a person employed by the taxpayer in the operation of a new business facility during the taxable year for which the credit allowed by section 135.110 is claimed, except that truck drivers and rail and barge vehicle operators shall not constitute new business facility employees. A person shall be deemed to be so employed if such person performs duties in connection with the operation of the new business facility on:

(a) A regular, full-time basis; or

(b) A part-time basis, provided such person is customarily performing such duties an average of at least twenty hours per week; or

(6) "New business facility income", the Missouri taxable income, as defined in chapter 143, derived by the taxpayer from the operation of the new business facility. For the purpose of apportionment as prescribed in this subdivision, the term "Missouri taxable income" means, in the case of insurance companies, direct premiums as defined in chapter 148. If a taxpayer has income derived from the operation of a new business facility as well as from other activities conducted within this state, the Missouri taxable income derived by the taxpayer from the operation of the new business facility shall be determined by multiplying the taxpayer's Missouri taxable income, computed in accordance with chapter 143, or in the case of an insurance company, computed in accordance with chapter 148, by a fraction, the numerator of which is the property factor, as defined in paragraph (a) of this subdivision, plus the payroll factor, as defined in paragraph (b) of this subdivision, and the denominator of which is two:

Thereafter, the members appointed shall serve for a term of four years, except that all vacancies shall be filled for unexpired terms in the same manner as were the original appointments.

13. The board, subject to approval of the governing body of the city or county, shall consider economic development plans, economic development projects, or designations of an economic development area, and shall hold public hearings and provide notice of any such hearings. The board shall vote on all proposed economic development plans, economic development projects, or designations of an economic development area, and amendments thereto, within thirty days following completion of the hearing on any such plan, project, or designation, and shall make recommendations to the governing body within ninety days of the hearing concerning the adoption of or amendment to economic development plans, economic development projects, or designations of an economic development area. The governing body of the city or county shall have

14. The board may consider and recommend using funds received from the tax imposed under this section for plans, projects, or area designations outside the boundaries of the city or county imposing the tax if, and only if:

(1) The city or county imposing the tax or the state receives significant economic benefit from the plan, project, or area designation; and

(2) The board establishes an agreement with the governing bodies of all cities and counties in which the plan, project, or area designation is located detailing the authority and responsibilities of each governing body with regard to the plan, project, or area designation.

2. The following provisions shall apply to any sale pursuant to this section of property located within any municipality contained wholly or partially within a county with a population of over six hundred thousand and less than nine hundred thousand:

(1) The sale shall be held on the day for which it is advertised, between the hours of nine o'clock a.m. and five o'clock p.m. and continued day to day thereafter to satisfy the judgment as to each respective parcel of real estate sold;

(2) The sale shall be conducted publicly, by auction, for ready money. The highest bidder shall be the purchaser unless the highest bid is less than the full amount of all tax bills included in the judgment, interest, penalties, attorney's fees and costs then due thereon. No person shall be eligible to bid at the time of the sale unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the official charged by law with conducting the sale that he or she is not the owner of any parcel of real estate in the county which is affected by a tax bill which has been delinquent for more than six months and is not the owner of any parcel of real property with two or more convictions based on violations occurring within a two-year period of the municipality's building or housing codes. A prospective bidder may make such a demonstration by presenting statements from the appropriate collection and code enforcement officials of the municipality.

Such sale shall convey the whole interest of every person having or claiming any right, title or interest in or lien upon such real estate, whether such person has answered or not, subject to rights-of-way thereon of public utilities upon which tax has been otherwise paid, and subject to the lien thereon, if any, of the United States of America.

4. The collector shall advance the sums necessary to pay for the publication of all advertisements required by sections 141.210 to 141.810 and shall be allowed credit therefor in his or her accounts with the county. The collector shall give credit in such accounts for all such advances recovered by him or her. [144.019. 1. Notwithstanding any other provision of law to the contrary, when a purchase of tangible personal property or service subject to tax is made for the purpose of resale, such purchase is exempt or excluded under this chapter if the subsequent sale is subject to a tax in this or any other state, is for resale, is excluded from tax under this chapter, is subject to tax but exempt under this chapter, or is exempt from the sales tax laws of another state if the subsequent sale is in such other state. The purchase of tangible personal property by a taxpayer shall not be deemed to be for resale if such property is used or consumed by the taxpayer in providing a service on which tax is not imposed by subsection 1 of section 144.020, except purchases made in fulfillment of any obligation under a defense contract with the United States government.

2. For purposes of subdivision (2) of subsection 1 of section 144.020, the operator of a place of amusement, entertainment or recreation, including games or athletic events, must remit tax on the amount paid for admissions or seating accommodations, or fees paid to, or in such place of amusement, entertainment or recreation. Any subsequent sale of such admissions or seating accommodations shall not be subject to tax if the initial sale was an arms length transaction for fair market value with an unaffiliated entity. If the sale of such admissions or seating accommodations is exempt or excluded from payment of sales and use taxes, this provision does not require the place of amusement, entertainment, or recreation to remit tax on that sale.

3. For purposes of subdivision (6) of subsection 1 of section 144.020, the operator of a hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public must remit tax on the amount of sales or charges for all rooms, meals, and drinks furnished at such hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public. Any subsequent sale of such rooms, meals, or drinks shall not be subject to tax if the initial sale was an arms length transaction for fair market value with an unaffiliated entity. If the sale of such rooms, meals, or drinks is exempt or excluded from payment of sales and use taxes, this provision does not require the hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public to remit tax on that sale.

(2) In referring offenders to local volunteer community boards for probation supervision pursuant to this section, the court is encouraged to select those volunteers who live in close geographical proximity to the community in which the crime is alleged to have occurred for supervision purposes;

(3) The term of probation shall not exceed five years and may be concluded by the court when conditions imposed are met to the satisfaction of the local volunteer community board.

(2) An emergency relating to public health, safety or welfare;

(3) The proposed rule is in conflict with state law;

(4) A substantial change in circumstance since enactment of the law upon which the proposed rule is based.

6. If the committee disapproves any rule or portion thereof, the filing agency shall not file such disapproved portion of any rule with the secretary of

[304.156. 1. After ascertaining the name and address of the owner and lienholder, if any, the department shall, within fifteen working days, notify the towing company. Any

towing company which comes into possession of abandoned property pursuant to section 304.155 or 304.157 and who claims a lien for recovering, towing or storing abandoned property shall give notice to the title owner and to all persons claiming a lien thereon, as disclosed by the records of the department of revenue or of a corresponding agency in any other state. The towing company shall notify the owner and any lienholder within ten business days of the date of mailing indicated on the notice sent by the department of revenue, by certified mail, return receipt requested. The notice shall contain the following:

(1) The name, address and telephone number of the storage facility;

(2) The date, reason and place from which the abandoned property was removed;

(3) A statement that the amount of the accrued towing, storage and administrative costs are the responsibility of the owner, and that storage and/or administrative costs will continue to accrue as a legal liability of the owner until the abandoned property is redeemed;

(4) A statement that the storage firm claims a possessory lien for all such charges;

(5) A statement that the owner or holder of a valid security interest of record may retake possession of the abandoned property at any time during business hours by proving ownership or rights to a secured interest and paying all towing and storage charges;

(6) A statement that, should the owner consider that the towing or removal was improper or not legally justified, the owner has a right to request a hearing as provided in this section to contest the propriety of such towing or removal;

(7) A statement that if the abandoned property remains unclaimed for thirty days from the date of mailing the notice, title to the abandoned property will be transferred to the person or firm in possession of the abandoned property free of all prior liens; and

(8) A statement that any charges in excess of the value of the abandoned property at the time of such transfer shall remain a liability of the owner.

2. A towing company may only assess reasonable storage charges for abandoned property towed without the consent of the owner. Reasonable storage charges shall not exceed the charges for vehicles which have been towed with the consent of the owner on a negotiated basis. Storage charges may be assessed only for the time in which the towing company complies with the procedural requirements of sections 304.155 to 304.158.

3. In the event that the records of the department of revenue fail to disclose the name of the owner or any lienholder of record, the department shall notify the towing company which shall attempt to locate documents or other evidence of ownership on or within the abandoned property itself. The towing company must certify that a physical search of the abandoned property disclosed that no ownership documents were found and a good faith effort has been made.

For purposes of this section, "good faith effort" means that the following checks have been performed by the company to establish the prior state of registration and title:

(1) Check of the abandoned property for any type of license plates, license plate record, temporary permit, inspection sticker, decal or other evidence which may indicate a state of possible registration and title;

(2) Check the law enforcement report for a license plate number or registration number if the abandoned property was towed at the request of a law enforcement agency;

(3) Check the tow ticket/report of the tow truck operator to see if a license plate was on the abandoned property at the beginning of the tow, if a private tow; and

(4) If there is no address of the owner on the impound report, check the law enforcement report to see if an out-of-state address is indicated on the driver license information.

4. If no ownership information is discovered, the director of revenue shall be notified in writing and title obtained in accordance with subsection 7 of this section.

5. (1) The owner of the abandoned property removed pursuant to the provisions of section 304.155 or 304.157 or any person claiming a lien, other than the towing company, within ten days after the receipt of notification from the towing company pursuant to subsection 1 of this section may file a petition in the associate circuit court in the county where the abandoned property is stored to determine if the abandoned property was wrongfully taken or withheld from the owner. The petition shall name the towing company among the defendants. The petition may also name the agency ordering the tow or the owner, lessee or agent of the real property from which the abandoned property was removed. The director of revenue shall not be a party to such petition but a copy of the petition shall be served on the director of revenue who shall not issue title to such abandoned property pursuant to this section until the petition is finally decided.

(2) Upon filing of a petition in the associate circuit court, the owner or lienholder may have the abandoned property released upon posting with the court a cash or surety bond or other adequate security equal to the amount of the charges for towing and storage to ensure the payment of such charges in the event he does not prevail. Upon the posting of the bond and the payment of the applicable fees, the court shall issue an order notifying the towing company of the posting of the bond and directing the towing company to release the abandoned property. At the time of such release, after reasonable inspection, the owner or lienholder shall give a receipt to the towing company reciting any claims for loss or damage to the abandoned property or the contents thereof.

(3) Upon determining the respective rights of the parties, the final order of the court shall provide for immediate payment in full of recovery, towing, and storage fees by the abandoned property owner or lienholder or the owner, lessee,

or agent thereof of the real property from which the abandoned property was removed.
