

HOUSE _____ **AMENDMENT NO.** _____

Offered By

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 467, Page 2, Section 33.087, Line 28, by inserting after all of said section and line the following:

“33.089. 1. Every department and division of this state that receives any grant of federal funds shall determine whether or not any or all of such funds can be used for the alternatives to abortion services program established in section 188.325 or the alternatives to abortion public awareness program established in section 188.335. Federal funds for which such determination shall be made shall include, but not be limited to: maternal and child health block grant; social services block grant; community development block grant; temporary assistance for needy families; community services block grant; head start; pregnancy assistance fund program; maternal, infant, and early childhood home visiting program; community-based child abuse prevention grants; child care and development block grant; promoting safe and stable families; abandoned infants; infant adoption awareness training; healthy start initiative; healthy marriage promotion and responsible fatherhood grants; and any successor funds.

2. At least annually, and by a date or dates specified by the office of administration so as to assist in budgeting and planning for every fiscal year, each such department and division shall submit its determination to the office of administration on the use of such federal funds for the alternatives to abortion services program or the alternatives to abortion public awareness program. The office of administration shall compile this information and submit it to the chairman of the senate appropriations committee and the chairman of the house budget committee, and shall also make such information easily available to the public on the Missouri accountability portal established in section 37.850.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
