**Offered By**

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 467, Page 2, Section 37.850, Line 20, by inserting after all of said section and line the following:

“37.853. 1. The office of administration shall maintain municipal government, including any city not within a county, accountability information on the Missouri accountability portal established under section 37.850. The Missouri accountability portal shall provide public access to a complete, transparent, and comprehensive database of municipal government, including any city not within a county, financial information as a means of creating better public understanding of municipal government, including any city not within a county, practices and operations.

2. Individual municipal governmental, including any city not within a county, entities shall collect and transmit to the office of administration, by electronic mail or United States postal mail, the public information applicable to all municipal government, including any city not within a county, as provided in this section. Notwithstanding any other provision of law or rule to the contrary, municipal governmental, including any city not within a county, entities that provide the annual report required under section 105.145 to the office of administration are not required to provide a copy of the report to the state auditor.

3. Municipal governmental, including any city not within a county, entities shall annually provide to the office of administration a copy of the annual report of the financial transactions of the municipality that the municipality is required to provide to the state auditor under section 105.145.

4. This section shall become effective December 31, 2012.

37.855. 1. The office of administration shall maintain public school accountability information on the Missouri accountability portal established under section 37.850. The Missouri accountability portal shall provide public access to a complete, transparent, and comprehensive database of school district and charter school financial information as a means of creating better public understanding of public school practices and operations.

2. The department of elementary and secondary education shall annually collect and transmit to the office of administration the public information regarding school districts and

1 public charter schools as provided in this section.

2 3. School districts and public charter schools shall annually provide the department of  
3 elementary and secondary education with detailed compensation information for all school  
4 employees, including all extra duty compensation and all employee benefits, and the district's  
5 annual operating budget and bonded indebtedness. The department shall provide all information  
6 required under this subsection to the office of administration by electronic mail or United States  
7 postal mail.

8 4. This section shall become effective June 30, 2013.

9 37.857. 1. The office of administration shall maintain county government accountability  
10 information on the Missouri accountability portal established under section 37.850. The Missouri  
11 accountability portal shall provide public access to a complete, transparent, and comprehensive  
12 database of county government financial information as a means of creating better public  
13 understanding of county government practices and operations.

14 2. Individual county governmental entities shall collect annually and transmit, by  
15 electronic mail or United States postal mail, to the office of administration the public information  
16 applicable to all county governments as provided in this section.

17 3. Specifically, the county government shall annually provide to the office of  
18 administration detailed compensation information for all elected county officials, including all  
19 extra duty compensation and all employee benefits, a copy of the detailed financial statement  
20 required under section 50.800, and any cash reserves. In addition to bonded debt, the county shall  
21 disclose any expenditures made pursuant to a real property lease, specifying the nature and  
22 duration of the lease. The office of administration may establish clear standards for budget format  
23 and detail, to ensure that all county government budgets contain all necessary information.  
24 Notwithstanding any other provision of law or rule to the contrary, any information reported  
25 annually to the office of administration under this section shall not be required to be reported to  
26 the state auditor.

27 4. This section shall become effective December 31, 2013.” ; and

28 Further amend said bill and page, Section B, Line 2, by inserting immediately after the  
29 word “funds,” the following:

30 “ the enactment of section 33.087 and the repeal and reenactment of section 37.850 of” ; and

31 Further amend said bill, page 3, Section B, Line 4, by inserting immediately after the  
32 words “constitution, and” the following:

33 “ the enactment of section 33.087 and the repeal and reenactment of section 37.850 of” ; and

34 Further amend said bill by amending the title, enacting clause, and intersectional  
35 references accordingly.
