HOUSE	AMENDMENT NO
	Offered By
	Substitute for Senate Bill No. 568, Page 7, Section 304.022, Line 67, section and line the following:
age or younger] operating a of a hand-held electronic wi	t as otherwise provided in this section, no person [twenty-one years of moving motor vehicle upon the highways of this state shall, by means reless communications device, send, read, or write a text message or he device is equipped with technology allowing for voice-recognition
(1) An authorized en	f subsection 1 of this section shall not apply to a person operating:
device to:  (a) Report illegal ac	
(d) Relay information	on between a transit or for-hire operator and that operator's dispatcher, anently affixed to the vehicle.
making or taking part in a te	ection shall be construed or interpreted as prohibiting a person from elephone call, by means of a hand-held electronic wireless ile operating a motor vehicle upon the highways of this state.
communication that is designing wireless communication dev	ection, "electronic message" means a self-contained piece of digital med or intended to be transmitted between hand-held electronic vices. "Electronic message" includes, but is not limited to, electronic
5. As used in this se includes any hand-held cellu	ant message, or a command or request to access an internet site.  ection, "hand-held electronic wireless communications device"  alar phone, palm pilot, blackberry, or other mobile electronic device  ly or by text or electronic messaging, but shall not apply to any device
	ed into the architecture and design of the motor vehicle.
Action Taken	Date 1

with any person by using an electronic message. Sending, reading, or writing a text message or electronic message does not include reading, selecting, or entering a phone number or name into a hand-held electronic wireless communications device for the purpose of making a telephone call.	1	6. As used in this section, "making or taking part in a telephone call" means listening to or
7. As used in this section, "send, read, or write a text message or electronic message" means using a hand-held electronic wireless telecommunications device to manually communicate with any person by using an electronic message. Sending, reading, or writing a text message or electronic message does not include reading, selecting, or entering a phone number or name into a hand-held electronic wireless communications device for the purpose of making a telephone call.  8. A violation of this section shall be deemed an infraction and shall be deemed a moving violation for purposes of point assessment under section 302.302, RSMo.  9. The state preempts the field of regulating the use of hand-held electronic wireless communications devices in motor vehicles, and the provisions of this section shall supercede any local laws, ordinances, orders, rules, or regulations enacted by a county, municipality, or other political subdivision to regulate the use of hand-held electronic wireless communication devices by the operator of a motor vehicle.  10. The provisions of this section shall not apply to:  (1) The operator of a vehicle that is lawfully parked or stopped;  (2) Any of the following while in the performance of their official duties: a law enforcement officer; a member of a fire department; or the operator of a public or private ambulance;  (3) The use of factory-installed or aftermarket global positioning systems (GPS) or wireless communications devices used to transmit or receive data as part of a digital dispatch system;  (4) The use of voice-operated technology;  (5) The use of two-way radio transmitters or receivers by a licensee of the Federal Communications Commission in the Amateur Radio Service."; and  Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.	2	engaging in verbal communication through a hand-held electronic wireless communication
means using a hand-held electronic wireless telecommunications device to manually communicate with any person by using an electronic message. Sending, reading, or writing a text message or electronic message does not include reading, selecting, or entering a phone number or name into a hand-held electronic wireless communications device for the purpose of making a telephone call.  8. A violation of this section shall be deemed an infraction and shall be deemed a moving violation for purposes of point assessment under section 302.302, RSMo.  9. The state preempts the field of regulating the use of hand-held electronic wireless communications devices in motor vehicles, and the provisions of this section shall supercede any local laws, ordinances, orders, rules, or regulations enacted by a county, municipality, or other political subdivision to regulate the use of hand-held electronic wireless communication devices by the operator of a motor vehicle.  10. The provisions of this section shall not apply to:  (1) The operator of a vehicle that is lawfully parked or stopped;  (2) Any of the following while in the performance of their official duties: a law enforcement officer; a member of a fire department; or the operator of a public or private ambulance;  (3) The use of factory-installed or aftermarket global positioning systems (GPS) or wireless communications devices used to transmit or receive data as part of a digital dispatch system;  (4) The use of voice-operated technology;  (5) The use of two-way radio transmitters or receivers by a licensee of the Federal Communications Commission in the Amateur Radio Service."; and	3	device.
with any person by using an electronic message. Sending, reading, or writing a text message or electronic message does not include reading, selecting, or entering a phone number or name into a hand-held electronic wireless communications device for the purpose of making a telephone call.  8. A violation of this section shall be deemed an infraction and shall be deemed a moving violation for purposes of point assessment under section 302.302, RSMo.  9. The state preempts the field of regulating the use of hand-held electronic wireless communications devices in motor vehicles, and the provisions of this section shall supercede any local laws, ordinances, orders, rules, or regulations enacted by a county, municipality, or other political subdivision to regulate the use of hand-held electronic wireless communication devices by the operator of a motor vehicle.  10. The provisions of this section shall not apply to:  (1) The operator of a vehicle that is lawfully parked or stopped;  (2) Any of the following while in the performance of their official duties: a law enforcement officer; a member of a fire department; or the operator of a public or private ambulance;  (3) The use of factory-installed or aftermarket global positioning systems (GPS) or wireless communications devices used to transmit or receive data as part of a digital dispatch system;  (4) The use of voice-operated technology;  (5) The use of two-way radio transmitters or receivers by a licensee of the Federal Communications Commission in the Amateur Radio Service."; and	4	7. As used in this section, "send, read, or write a text message or electronic message"
electronic message does not include reading, selecting, or entering a phone number or name into a hand-held electronic wireless communications device for the purpose of making a telephone call.  8. A violation of this section shall be deemed an infraction and shall be deemed a moving violation for purposes of point assessment under section 302.302, RSMo.  9. The state preempts the field of regulating the use of hand-held electronic wireless communications devices in motor vehicles, and the provisions of this section shall supercede any local laws, ordinances, orders, rules, or regulations enacted by a county, municipality, or other political subdivision to regulate the use of hand-held electronic wireless communication devices by the operator of a motor vehicle.  10. The provisions of this section shall not apply to:  (1) The operator of a vehicle that is lawfully parked or stopped;  (2) Any of the following while in the performance of their official duties: a law enforcement officer; a member of a fire department; or the operator of a public or private ambulance;  (3) The use of factory-installed or aftermarket global positioning systems (GPS) or wireless communications devices used to transmit or receive data as part of a digital dispatch system;  (4) The use of voice-operated technology;  (5) The use of two-way radio transmitters or receivers by a licensee of the Federal Communications Commission in the Amateur Radio Service."; and  Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.	5	means using a hand-held electronic wireless telecommunications device to manually communicate
hand-held electronic wireless communications device for the purpose of making a telephone call.  8. A violation of this section shall be deemed an infraction and shall be deemed a moving violation for purposes of point assessment under section 302.302, RSMo.  9. The state preempts the field of regulating the use of hand-held electronic wireless communications devices in motor vehicles, and the provisions of this section shall supercede any local laws, ordinances, orders, rules, or regulations enacted by a county, municipality, or other political subdivision to regulate the use of hand-held electronic wireless communication devices by the operator of a motor vehicle.  10. The provisions of this section shall not apply to:  (1) The operator of a vehicle that is lawfully parked or stopped;  (2) Any of the following while in the performance of their official duties: a law enforcement officer; a member of a fire department; or the operator of a public or private ambulance;  (3) The use of factory-installed or aftermarket global positioning systems (GPS) or wireless communications devices used to transmit or receive data as part of a digital dispatch system;  (4) The use of voice-operated technology;  (5) The use of two-way radio transmitters or receivers by a licensee of the Federal Communications Commission in the Amateur Radio Service."; and	6	with any person by using an electronic message. Sending, reading, or writing a text message or
