**Offered By**

---

1 AMEND House Amendment No. \_\_\_\_ to House Committee Substitute for Senate Bill No. 578  
2 Page \_\_\_\_ Line \_\_\_\_, by inserting after all of said line the following

3 “Further amend said bill, Page 1, Section A, Line 2, by inserting after all of said line the  
4 following:

5 “135.953. 1. For purposes of sections 135.950 to 135.970, an area shall meet the  
6 following criteria in order to qualify as an enhanced enterprise zone:

7 (1) The area shall be a blighted area, have pervasive poverty, unemployment and general  
8 distress; and

9 (2) At least sixty percent of the residents living in the area have incomes below ninety  
10 percent of the median income of all residents:

11 (a) Within the state of Missouri, according to the last decennial census or other  
12 appropriate source as approved by the director; or

13 (b) Within the county or city not within a county in which the area is located, according to  
14 the last decennial census or other appropriate source as approved by the director; and

15 (3) The resident population of the area shall be at least five hundred but not more than one  
16 hundred thousand at the time of designation as an enhanced enterprise zone if the area lies within  
17 a metropolitan statistical area, as established by the United States Census Bureau, or if the area  
18 does not lie within a metropolitan statistical area, the resident population of the area at the time of  
19 designation shall be at least five hundred but not more than forty thousand inhabitants. If the  
20 population of the jurisdiction of the governing authority does not meet the minimum population  
21 requirements set forth in this subdivision, the population of the area must be at least fifty percent  
22 of the population of the jurisdiction. However, no enhanced enterprise zone shall be created  
23 which consists of the total area within the political boundaries of a county; [and]

24 (4) The level of unemployment of persons, according to the most recent data available

1 from the United States Bureau of Census and approved by the director, within the area is equal to  
2 or exceeds the average rate of unemployment for:

3 (a) The state of Missouri over the previous twelve months; or

4 (b) The county or city not within a county over the previous twelve months; and

5 (5) No finding of blight under this chapter shall be used to meet the conditions for blight  
6 under any other statute of this state.

7 2. Notwithstanding the requirements of subsection 1 of this section to the contrary, an  
8 enhanced enterprise zone may be established in an area located within a county for which public  
9 and individual assistance has been requested by the governor pursuant to Section 401 of the  
10 Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121, et seq., for an  
11 emergency proclaimed by the governor pursuant to section 44.100 due to a natural disaster of  
12 major proportions, if the area to be designated is blighted and sustained severe damage as a result  
13 of such natural disaster, as determined by the state emergency management agency. An  
14 application for designation as an enhanced enterprise zone pursuant to this subsection shall be  
15 made before the expiration of one year from the date the governor requested federal relief for the  
16 area sought to be designated.

17 3. Notwithstanding the requirements of subsection 1 of this section to the contrary, an  
18 enhanced enterprise zone may be designated in a county of declining population if it meets the  
19 requirements of subdivisions (1), (3) and either (2) or (4) of subsection 1 of this section. For the  
20 purposes of this subsection, a "county of declining population" is one that has lost one percent or  
21 more of its population as demonstrated by comparing the most recent decennial census population  
22 to the next most recent decennial census population for the county.

23 4. In addition to meeting the requirements of subsection 1, 2, or 3 of this section, an area,  
24 to qualify as an enhanced enterprise zone, shall be demonstrated by the governing authority to  
25 have either:

26 (1) The potential to create sustainable jobs in a targeted industry; or

27 (2) A demonstrated impact on local industry cluster development.

28 5. Notwithstanding the requirements of subsections 1 and 4 of this section to the contrary,  
29 a renewable energy generation zone may be designated as an enhanced enterprise zone if the  
30 renewable energy generation zone meets the criteria set forth in subdivision (25) of section  
31 135.950.”; and”; and  
32

33 Further amend said amendment, Page \_\_\_\_\_, Line \_\_\_\_\_, by inserting after all of said line the  
34 following:

35 “Further amend said bill, Page 13, Section 12, Line 18, by inserting after all of said line the

1 following:

2 “Section 13. Whenever the fiscal body of one (1) or more eligible entities, acting  
3 individually or jointly, adopts an ordinance or a resolution in favor of the establishment of an  
4 airport authority under this chapter, there is established an airport authority. The authority has  
5 jurisdiction over a district with boundaries conterminous with the jurisdictional boundaries of the  
6 entity or entities adopting the ordinance or resolution. The authority must have a name including  
7 the words “airport authority.””; and”; and  
8

9 Further amend said bill by amending the title, enacting clause, and intersectional references  
10 accordingly.
