

HOUSE _____ **AMENDMENT NO.** _____

Offered By

AMEND House Committee Substitute for House Bill No. 1458, Page 7, Section 321.711, Line 16,
by inserting after all of said line the following:

“577.029. A licensed physician, registered nurse, or trained in hospital medical technician,
acting at the request and direction of the law enforcement officer, shall withdraw blood for the
purpose of determining the alcohol content of the blood, unless such medical personnel, in his or
her good faith medical judgment, believes such procedure would endanger the life or health of the
person in custody. Blood may be withdrawn only by such medical personnel, but such restriction
shall not apply to the taking of a breath test, a saliva specimen, or a urine specimen. In
withdrawing blood for the purpose of determining the alcohol content thereof, only a previously
unused and sterile needle and sterile vessel shall be utilized and the withdrawal shall otherwise be
in strict accord with accepted medical practices. Upon the request of the person who is tested, full
information concerning the test taken at the direction of the law enforcement officer shall be made
available to him or her.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references
accordingly.
