HB 9999

HOUSE \_\_\_\_\_ AMENDMENT NO. \_\_\_\_\_

Offered By

SCHATZ

711th

1 AMEND HCS SCS S13692, Section 12, Page 89,

2 Line 19, by inserting after all of said line the following:

3  
4 "Section 1. If new lateral sewer pipes or water service lines are installed or connected from or to  
5 an underground facility, as defined in section 219.015, or if such infrastructure is repaired,  
6 replaced, or rehabilitated, the contractor, utility, or person conducting the installation, connection,  
7 repair, replacement, or rehabilitation shall be required to use trace wire, or a similar device  
8 capable of being located by an above surface detection system designed to give approximate  
9 locations of the underground lateral sewer pipe or water service line, to mark the location of such  
10 pipes and lines in those areas that are located within a public right-of-way, easement, or street.";  
11 and

12  
13 Further amend said bill by amending the title, enacting clause, and intersectional references  
14 accordingly.
