### AN ACT

To amend chapter 44, RSMo, by adding thereto one new section relating to identifiable information in registries maintained by public governmental bodies to assist certain individuals in case of a disaster or emergency.

---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Chapter 44, RSMo, is amended by adding thereto one new section, to be known as section 44.035, to read as follows:

**44.035. The name, address, social security number, as well as any other personal identifying information that is utilized in a voluntary registry of persons with health-related ailments created by a public governmental body to assist individuals in case of a disaster or emergency, shall not be considered a public record under the provisions of chapter 610. Nothing in this section shall authorize a public governmental body to deny a lawful request for such name, address, social security number, or other personal identifying information from a law enforcement agency or any public governmental body that provides firefighting, medical or other emergency services.**
