

HB 1062 -- GIFTED EDUCATION (Dieckhaus)

COMMITTEE OF ORIGIN: Committee on Elementary and Secondary Education

This bill requires a school district to include in its annual school accountability report card whether it has a state-approved gifted education program or services and the number and percentage of students currently being served in the program or services.

FISCAL NOTE: No impact on state funds in FY 2013, FY 2014, and FY 2015.
