

HCS HB 1644 -- MISSOURI GAMING COMMISSION LICENSES

Currently, the initial license and the first subsequent license renewal of an excursion gambling boat operator are for a period of one year and for two years thereafter. This bill changes the renewal period after the first renewal and thereafter to every four years.

The bill changes the time period that an applicant for an occupational license to work in certain jobs on a gambling boat must file and a supplier of gambling equipment must apply for a license from annually to biennially.
