1 AMEND Senate Committee Substitute for Senate Bill No. 248, Page 4, Section 67.457, Line 127, by
2 inserting after all of said line the following:

3 "67.463. 1. At the hearing to consider the proposed improvements and assessments, the
4 governing body shall hear and pass upon all objections to the proposed improvements and proposed
5 assessments, if any, and may amend the proposed improvements, and the plans and specifications
6 therefor, or assessments as to any property, and thereupon by ordinance or resolution the governing
7 body of the city or county shall order that the improvement be made and direct that financing for the
8 cost thereof be obtained as provided in sections 67.453 to 67.475.

9 2. After construction of the improvement has been completed in accordance with the plans
10 and specifications therefor, the governing body shall compute the final costs of the improvement and
11 apportion the costs among the property benefitted by such improvement in such equitable manner as
12 the governing body shall determine, charging each parcel of property with its proportionate share of
13 the costs, and by resolution or ordinance, assess the final cost of the improvement or the amount of
14 general obligation bonds issued or to be issued therefor as special assessments against the property
15 described in the assessment roll.

16 3. After the passage or adoption of the ordinance or resolution assessing the special
17 assessments, the city clerk or county clerk shall mail a notice to each property owner within the
18 district which sets forth a description of each parcel of real property to be assessed which is owned
19 by such owner, the special assessment assigned to such property, and a statement that the property
20 owner may pay such assessment in full, together with interest accrued thereon from the effective date
21 of such ordinance or resolution, on or before a specified date determined by the effective date of the
22 ordinance or resolution, or may pay such assessment in annual installments as provided in subsection
23 4 of this section.

24 4. The special assessments shall be assessed upon the property included therein concurrent
25 with general property taxes, and shall be payable in substantially equal annual installments for a

27 prescribed in subsection 3 of section 67.457, and, if authorized, an assessment in each year thereafter
28 levied and collected in the same manner with the proceeds thereof used solely for maintenance of the
29 improvement, taking into account such assessments and interest thereon, as the governing body
30 determines. The first installment shall be payable after the first collection of general property taxes
31 following the adoption of the assessment ordinance or resolution unless such ordinance or resolution
32 was adopted and certified too late to permit its collection at such time. All assessments shall bear
33 interest at such rate as the governing body determines, not to exceed the rate permitted for bonds by
34 section 108.170. Interest on the assessment between the effective date of the ordinance or resolution
35 assessing the assessment and the date the first installment is payable shall be added to the first
36 installment. The interest for one year on all unpaid installments shall be added to each subsequent
37 installment until paid. In the case of a special assessment by a city, all of the installments, together
