303.200. 1. After consultation with insurance companies authorized to issue automobile liability policies in this state, the director of the department of insurance, financial institutions and professional registration shall approve a reasonable plan or plans for the equitable apportionment among such companies of applicants for such policies and for personal automobile and commercial motor vehicle liability policies who are in good faith entitled to but are unable to 6 procure such policies through ordinary methods. When any such plan has been approved, all such insurance companies shall subscribe thereto and participate therein. [Any such plan] The plan manager, on the plan's behalf, shall contract with an entity or entities to accept and service applicants and policies 10 for any company that does not elect to accept and service applicants and policies. 11 12By October first of each year any company that elects to accept and service applicants and policies for the next calendar year for any such plan shall so notify 13 the plan. Except as provided in subsection 2 of this section, any company 14that does not so notify a plan established for handling coverage for 15personal automobile risks shall be excused from accepting and servicing 16 applicants and policies for the next calendar year for such plan and shall pay a 17 18 fee to the plan or servicing entity for providing such services. The fee shall be 19 based on the company's market share [on the kinds of insurance offered by the 20 plan] as determined by the company's writings of personal automobile 21risks in the voluntary market. Any applicant for any such policy, any person 22insured under any such plan, and any insurance company affected may appeal to the director from any ruling or decision of the manager or committee designated 23to operate such plan. Any person aggrieved hereunder by any order or act of the 24director may, within ten days after notice thereof, file a petition in the circuit 25court of the county of Cole for a review thereof. The court shall summarily hear 2627the petition and may make any appropriate order or decree. As used in this section, the term "personal automobile" means a private passenger non-28 29 fleet vehicle, motorcycle, camper and travel trailer, antique auto, amphibious auto, motor home, named non-owner applicant, or a low-30 31speed vehicle subject to chapter 304 which is not primarily used for 32business or nonprofit interests and which is generally used for 33 personal, family, or household purposes.

2. If the total premium volume for any one plan established for

handling coverage for personal automobile risks exceeds ten million dollars in a calendar year, a company with more than five percent market share of such risks in Missouri shall not be excused from accepting and servicing applicants and policies of such plan under subsection 1 of this section for the next calendar year, unless the governing body of the plan votes to allow any company with such market share the option to be excused.

379.011. 1. As used in this section, the following terms mean:

- 2 (1) "Delivered by electronic means", includes delivery to an electronic mail address at which a party has consented to receive notices or documents, or posting on an electronic network or site accessible via the internet, mobile application, computer, mobile device, tablet, or any other electronic device, together with a separate notice to a party directed to the electronic mail address at which the party has consented to receive notice of the posting;
- 9 (2) "Party", any recipient of any notice or document required as 10 part of an insurance transaction, including but not limited to an 11 applicant, an insured or a policyholder.
- 12 2. Subject to subsection 3 of this section, any notice to a party or 13 any other document required under applicable law in an insurance transaction or that is to serve as evidence of insurance coverage may be delivered, stored, and presented by electronic means so long as it 15 16 meets the requirements of sections 432.200 to 432.295. Delivery of a notice or document in accordance with this subsection shall be 17 considered equivalent to any delivery method required under 18 applicable law, including delivery by first class mail, first class mail 19 20 postage prepaid, certified mail, or certificate of mailing.
- 3. A notice or document may be delivered by electronic means by an insurer to a party under this subsection if:

23

- (1) The party has affirmatively consented to that method of delivery and has not withdrawn the consent;
- 25 (2) The party, before giving consent, is provided with a clear and conspicuous statement informing the party of:
- 27 (a) Any right or option to have the notice or document provided 28 in paper or another nonelectronic form at no additional cost;
- 29 (b) The right of party to withdraw consent to have a notice or 30 document delivered by electronic means;

- 32 transaction as to which the notice or document must be given or to 33 identified categories of notices or documents that may be delivered by 34 electronic means during the course of the parties' relationship;
- 35 (d) The means, after consent is given, by which a party may 36 obtain a paper copy of a notice or document delivered by electronic 37 means at no additional cost; and
 - (e) The procedure a party must follow to withdraw consent to have a notice or document delivered by electronic means and to update information needed to contact the party electronically;
 - (3) The party, before giving consent, is provided with a statement of the hardware and software requirements for access to and retention of a notice or document delivered by electronic means and consents electronically, and confirms consent electronically, in a manner that reasonably demonstrates that the party can access information in the electronic form that will be used for notices or documents delivered by electronic means as to which the party has given consent; and
 - (4) After consent of the party is given, the insurer, in the event a change in the hardware or software requirements needed to access or retain a notice or document delivered in electronic means creates a material risk that the party will not be able to access or retain a subsequent notice or document to which the consent applies:
 - (a) Provides the party with a statement of the revised hardware and software requirements for access to and retention of a notice or document delivered by electronic means and of the right of the party to withdraw consent pursuant to paragraph (b) of subdivision (2) of this subsection; and
 - (b) Complies with subdivision (2) of this subsection.
 - 4. This section does not affect requirements relating to content or timing of any notice or document required under applicable law. If any provision of applicable law requiring a notice or document to be provided to a party expressly requires verification or acknowledgment of receipt of the notice or document, the notice or document may be delivered by electronic means only if the method used provides for verification or acknowledgment of receipt. Absent verification or acknowledgment of receipt of the initial notice or document on the part

of the party, the insurer shall send two subsequent notices or 68 69 documents at intervals of five business days. The legal effectiveness, validity, or enforceability of any contract or policy of insurance executed by a party may not be made contingent upon obtaining 71 electronic consent or confirmation of consent of the party in 72 accordance with subdivision (3) of subsection 3 of this section. 73

- 5. A withdrawal of consent by a party does not affect the legal 74effectiveness, validity, or enforceability of a notice or document 75 delivered by electronic means to the party before the withdrawal of 76 consent is effective. A withdrawal of consent by a party is effective 77 78 within thirty days after receipt of the withdrawal by the insurer. Failure by an insurer to comply with subdivision (4) of 79 subsection 3 of this section may be treated, at the election of the party, 80 as a withdrawal of consent for purposes of this section.
- 82 This section does not apply to a notice or document delivered by an insurer in an electronic form before the effective date of this 83 section to a party who, before that date, has consented to receive 84 85 notices or documents in an electronic form otherwise allowed by law. 86 If the consent of a party to receive certain notices or documents in an 87 electronic form is on file with an insurer before the effective date of this section, and pursuant to this section, an insurer intends to deliver additional notices or documents to such party in an electronic form, 89 90 then prior to delivering such additional notices or documents electronically, the insurer shall notify the party of: 91
- 92 (1) The notices or documents that may be delivered by electronic 93 means under this section that were not previously delivered 94 electronically; and
- 95 (2) The party's right to withdraw consent to have notices or documents delivered by electronic means. 96
- 7. A party who does not consent to delivery of notices or 97 documents under subsection 3 of this section, or who withdraws their 98 consent, shall not be subject to any additional fees or costs for having 99 notices or documents provided or made available to them in paper or 100 101 another nonelectronic form.
- 102 8. If any provision of applicable law requires a signature or notice or document to be notarized, acknowledged, verified, or made 103 under oath, the requirement is satisfied if the electronic signature of 104

105 the person authorized to perform those acts, together with all other 106 information required to be included by the provision, is attached to or 107 logically associated with the signature, notice, or document.

- 108 9. This section may not be construed to modify, limit, or 109 supercede the provisions of sections 432.200 to 432.295.
- 110 10. Nothing in this section shall prevent an insurer from offering a discount to an insured who elects to receive notices and documents 111 electronically in accordance with this section. 112
 - 379.012. 1. In addition to and notwithstanding any other provisions or requirements of section 379.011 to the contrary, insurance policy forms and endorsements for property insurance as described in subdivisions (1), (2), (3), and (5) of subsection 1 of section 379.010 issued or renewed in this state, or covering risks in this state, which do not contain personally identifiable information, may be made available electronically on the insurer's website in lieu of mailing or delivering a paper copy of policy forms and endorsements to an insured.
- 2. If the insurer elects to make such insurance policy forms and 9 10 endorsements available electronically on the insurer's website in lieu of mailing or delivering a paper copy to the insured, it shall comply with all the following conditions with respect to such policy forms and 13 endorsements:
 - (1) The policy forms and endorsements issued or sold in this state shall be easily and publicly accessible on the insurer's website and remain that way for as long as the policy form or endorsement is in force or actively sold in this state;
- (2) The insurer shall retain and store the policy forms and 18 19 endorsements after they are withdrawn from use or replaced with other 20 policy forms and endorsements for a period of five years and make them available to insureds and former insureds upon request and at no 21cost;
 - (3) The policy forms and endorsements shall be available on the insurer's website in an electronic format that enables the insured to print and save the policy forms and endorsements using programs or applications that are widely available on the internet and free to use;
- 27 (4) At policy issuance and renewal, the insurer shall provide clear and conspicuous notice to the insured, in the manner it 28customarily communicates with an insured, that it does not intend to 29

mail or deliver a paper copy of the policy forms or documents. The notice shall provide instructions on how the insured may access the policy forms and endorsements on the insurer's website. The insurer shall also notify the insured of their right to obtain a paper copy of the policy forms and endorsements at no cost and provide either a toll-free telephone number or the telephone number of the insured's producer by which the insured can make this request;

- (5) At policy renewal, the insurer shall provide clear and conspicuous notice to the insured, in the manner it customarily communicates with an insured, of any changes which have been made to the policy forms or endorsements since the prior coverage period. Such notice shall be made in accordance with the requirements of subdivision (4) of this subsection; and
- (6) On each declarations page, or similar coverage summary document, issued to an insured, the insurer shall clearly identify the exact policy forms and endorsements purchased by the insured, so that the insured may easily access those forms on the insurer's website.
- 3. The director may promulgate any rules necessary to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.
