8 use within the destination state by the federal government for which an exemption has been made
9 available by the destination state subject to procedural rules and regulations promulgated by the
10 director; or

40 roads and highways of this state when leased or owned and when being operated by a federally
41 recognized Indian tribe in the performance of essential governmental functions, such as providing

2 made available to the tribal government upon a refund application stating that the motor fuel was
3 purchased for the exclusive use of the tribe in performing named essential governmental services;

4 (5) That portion of motor fuel used to operate equipment attached to a motor vehicle, if the
5 motor fuel was placed into the fuel supply tank of a motor vehicle that has a common fuel reservoir
6 for travel on a highway and for the operation of equipment, or if the motor fuel was placed in a
7 separate fuel tank and used only for the operation of auxiliary equipment. The exemption for use
8 pursuant to this subdivision shall be claimed by a refund claim filed by the consumer who shall
9 provide evidence of an allocation of use satisfactory to the director;

10 (6) Motor fuel acquired by a consumer out-of-state and carried into this state, retained within
11 and consumed from the same vehicle fuel supply tank within which it was imported, except interstate
12 motor fuel users;

13 (7) Motor fuel which was purchased tax-paid and which was lost or destroyed as a direct
14 result of a sudden and unexpected casualty or which had been accidentally contaminated so as to be
15 unsalable as highway fuel as shown by proper documentation as required by the director. The
16 exemption pursuant to this subdivision shall be refunded to the person or entity owning the motor
17 fuel at the time of the contamination or loss. Such person shall notify the director in writing of such
18 event and the amount of motor fuel lost or contaminated within ten days from the date of discovery
19 of such loss or contamination, and within thirty days after such notice, shall file an affidavit sworn to

26 monthly report for those gallons of dyed diesel fuel or dyed kerosene imported or removed from a
27 terminal or refinery destined for delivery to a point in this state as shown on the shipping papers;

28 (b) This exemption shall be claimed by a deduction on the report of the supplier which is
29 otherwise responsible for remitting the tax on removal of the product from a terminal or refinery in
30 this state;

31 (c) This exemption shall be claimed by the distributor, upon a refund application made to the
32 director within three years. A refund claim may be made monthly or whenever the claim exceeds
33 one thousand dollars.

35 any watercraft, as such term is defined in section 306.010, and not accessible to other motor vehicles,
36 is exempt from the fuel tax imposed by this chapter. Any motor fuel distributor that delivers motor
37 fuel to any marina in this state for use solely in any watercraft, as such term is defined in section
38 306.010, may claim the exemption provided in this subsection. Any motor fuel customer who
