"143.021. 1. For all taxable years beginning on or before December 31, 2015, every resident having a taxable income of less than nine thousand dollars shall determine [his] the resident's tax from a tax table prescribed by the director of revenue and based upon the rates provided in section 143.011. The tax table shall be on the basis of one hundred dollar increments of taxable income below nine thousand dollars. The tax provided in the table shall be the amount rounded to the nearest whole dollar by applying the rates in section 143.011 to the taxable income at the midpoint of each increment, except there shall be no tax on a taxable income of less than one hundred dollars. Every resident having a taxable income of nine thousand dollars or more shall determine [his] the resident's tax from the rate provided in section 143.011.

2. For all tax years beginning on or after January 1, 2016, every resident having a taxable income of three hundred thousand dollars or less shall determine the resident's tax from a tax table prescribed by the director of revenue and based upon the rates provided in section 143.011. The tax table shall be on the basis of one hundred dollar increments of taxable income not exceeding three hundred thousand dollars. The tax provided in the table shall be the amount rounded to the nearest whole dollar by applying the rates in section 143.011 to the taxable income at the midpoint of each increment, except there shall be no tax on a taxable income of less than one hundred dollars. Every resident having a taxable income in excess of three hundred thousand dollars shall determine the resident's tax from the rate provided in section 143.011."; and

Further amend said bill, Page 6, Section 143.071, Line 85, by inserting after all of said line the following:

"143.149. For all taxable years beginning on or after January 1, 2016, in addition to all other subtractions and deductions allowed under this chapter, any resident taxpayer whose Missouri adjusted gross income does not exceed fifteen thousand dollars shall be allowed to subtract the following amounts from the taxpayer's Missouri adjusted gross income to determine Missouri taxable income:

(1) If the Missouri adjusted gross income does not exceed eleven thousand dollars, two thousand five hundred dollars;

(2) If the Missouri adjusted gross income exceeds eleven thousand dollars but does not exceed twelve thousand dollars, two thousand dollars;

(3) If the Missouri adjusted gross income exceeds twelve thousand dollars but does not exceed thirteen thousand dollars, one thousand five hundred dollars;

(4) If the Missouri adjusted gross income exceeds thirteen thousand dollars but does not exceed fourteen thousand dollars, one thousand dollars;

(5) If the Missouri adjusted gross income exceeds fourteen thousand dollars but does not exceed fifteen thousand dollars, five hundred dollars.

143.171. 1. For all tax years beginning on or after January 1, 1994, but ending on or before December 31, 2015, an individual taxpayer shall be allowed a deduction for [his] the taxpayer's federal income tax liability under Chapter 1 of the Internal Revenue Code for the same taxable year for which the Missouri return is being filed, not to exceed five thousand dollars on a single taxpayer's

1 return or ten thousand dollars on a combined return, after reduction for all credits thereon, except the
2 credit for payments of federal estimated tax, the credit for the overpayment of any federal tax, and
3 the credits allowed by the Internal Revenue Code by Section 31 (tax withheld on wages), Section 27
4 (tax of foreign country and United States possessions), and Section 34 (tax on certain uses of
5 gasoline, special fuels, and lubricating oils). For all taxable years beginning on or after January 1,
6 2016, the amounts of the deduction allowed under this subsection shall not exceed two thousand
7 dollars on a single taxpayer's return or four thousand dollars on a combined return.

8 2. For all tax years beginning on or after September 1, 1993, a corporate taxpayer shall be
9 allowed a deduction for fifty percent of its federal income tax liability under Chapter 1 of the
10 Internal Revenue Code for the same taxable year for which the Missouri return is being filed after
11 reduction for all credits thereon, except the credit for payments of federal estimated tax, the credit
12 for the overpayment of any federal tax, and the credits allowed by the Internal Revenue Code by
13 Section 31 (tax withheld on wages), Section 27 (tax of foreign country and United States
14 possessions), and Section 34 (tax on certain uses of gasoline, special fuels and lubricating oils).

15 3. If a federal income tax liability for a tax year prior to the applicability of sections 143.011
16 to 143.996 for which [he] the taxpayer was not previously entitled to a Missouri deduction is later
17 paid or accrued, [he] the taxpayer may deduct the federal tax in the later year to the extent it would
18 have been deductible if paid or accrued in the prior year."; and
