

House _____ Amendment NO. _____

Offered By _____

1 AMEND House Bill No. 1314, Page 5, Section 1.334, Line 82, by inserting after all of said section
2 and line the following:

3
4 "191.990. 1. The MO HealthNet division and the department of health and senior services
5 shall collaborate to coordinate goals and benchmarks in each agency's plans to reduce the incidence
6 of diabetes in Missouri, improve diabetes care, and control complications associated with diabetes.

7 2. The MO HealthNet division and the department of health and senior services shall submit
8 a report to the general assembly by January first of each odd-numbered year on the following:

9 (1) The prevalence and financial impact of diabetes of all types on the state of Missouri.
10 Items in this assessment shall include an estimate of the number of people with diagnosed and
11 undiagnosed diabetes, the number of individuals with diabetes impacted or covered by the agency
12 programs addressing diabetes, the financial impact of diabetes, and its complications on Missouri
13 based on the most recently published cost estimates for diabetes;

14 (2) An assessment of the benefits of implemented programs and activities aimed at
15 controlling diabetes and preventing the disease;

16 (3) A description of the level of coordination existing between the agencies, their contracted
17 partners, and other stakeholders on activities, programs, and messaging on managing, treating, or
18 preventing all forms of diabetes and its complications;

19 (4) The development or revision of detailed action plans for battling diabetes with a range of
20 actionable items for consideration by the general assembly. The plans shall identify proposed action
21 steps to reduce the impact of diabetes, prediabetes, and related diabetes complications. The plan also
22 shall identify expected outcomes of the action steps proposed in the following biennium while also
23 establishing benchmarks for controlling and preventing diabetes; and

24 (5) The development of a detailed budget blueprint identifying needs, costs, and resources
25 required to implement the plan identified in subdivision (4) of this subsection. This blueprint shall
26 include a budget range for all options presented in the plan identified in subdivision (4) of this
27 subsection for consideration by the general assembly.

28 3. The requirements of subsections 1 and 2 of this section shall be limited to diabetes
29 information, data, initiatives, and programs within each agency prior to the effective date of this
30 section, unless there is unobligated funding for diabetes in each agency that may be used for new
31 research, data collection, reporting, or other requirements of subsections 1 and 2 of this section.

32 191.1140. 1. Subject to appropriations, the University of Missouri shall manage the
33 "Show-Me Extension for Community Health Care Outcomes (ECHO) Program". The department of
34 health and senior services shall collaborate with the University of Missouri in utilizing the program
35 to expand the capacity to safely and effectively treat chronic, common, and complex diseases in rural
36 and underserved areas of the state and to monitor outcomes of such treatment.

Action Taken _____ Date _____

1 2. The program is designed to utilize current telehealth technology to disseminate knowledge
2 of best practices for the treatment of chronic, common, and complex diseases from a
3 multidisciplinary team of medical experts to local primary care providers who will deliver the
4 treatment protocol to patients, which will alleviate the need of many patients to travel to see
5 specialists and will allow patients to receive treatment more quickly.

6 3. The program shall utilize local community health care workers with knowledge of local
7 social determinants as a force multiplier to obtain better patient compliance and improved health
8 outcomes."; and

9
10 Further amend said bill by amending the title, enacting clause, and intersectional references
11 accordingly.
