Offered By \_\_\_\_\_

1 AMEND House Committee Substitute for House Bill No. 1655, Page 1, in the title, Lines 2-3, by  
2 deleting the words "the operation of the motorcycles or motorcycles" and inserting in lieu thereof the  
3 words "traffic enforcement"; and  
4

5 Further amend said bill, Page 2, Section 302.020, Line 37, by inserting immediately after said line  
6 the following:  
7

8 "304.850. 1. In jurisdictions utilizing automated traffic enforcement systems, any fine  
9 imposed for a violation detected through the use of an automatic traffic enforcement system shall be  
10 transferred to the local school district where the violation occurred to be used for drivers education  
11 courses. The portion of the fine distributed to the local school district shall not be included in such  
12 district's "local effort" figure, as such term is defined in section 163.011.

13 2. For purposes of this section, the following terms shall mean:

14 (1) "Automated speed enforcement system", a device with one or more motor vehicle  
15 sensors, including but not limited to, photographic devices, radar devices, laser devices, or other  
16 electrical or mechanical devices designed to record the speed of a motor vehicle and to obtain a clear  
17 photograph or other recorded image of the motor vehicle and the motor vehicle's license plate which  
18 automatically produces one or more photographs, one or more microphotographs, a videotape, or  
19 other recorded image of a motor vehicle at the time it is used or operated in violation of the posted  
20 speed limit;

21 (2) "Automated traffic enforcement system", a camera, optical device, electronic system or  
22 other surveillance system designed to record and produce photographic images, video, or other  
23 digital data of a motor vehicle, a motor vehicle's operator, or both, violating a traffic control signal,  
24 speed restriction, or other traffic law, ordinance or regulation. Automated traffic enforcement  
25 systems shall also include automated speed enforcement systems;

26 (3) "Surveillance system", a system designed to determine the ownership of a motor vehicle  
27 or the identity of a motor vehicle's occupants on the highways of the state or its political subdivisions  
28 through the use of a camera, other imaging device or any other device, including, but not limited to,  
29 a transponder, cellular telephone, global positioning satellite, or radio frequency identification  
30 device, that by itself, or in conjunction with other devices or information, can be used to determine  
31 the ownership of a motor vehicle or the identity of a motor vehicle's occupants."; and  
32

33 Further amend said bill by amending the title, enacting clause, and intersectional references  
34 accordingly.
