

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By

1 AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 808,  
2 Page 14, Section 338.165, Line 40, by inserting immediately at the end of said line the following:

3  
4 "However, the medical staff protocol shall include a process whereby an exemption to the protocol  
5 for a patient may be granted for clinical efficacy should the patient's physician make such request.  
6 The medical staff protocol shall also include an appeals process to request a change in specific  
7 protocol based on medical evidence presented by a physician on staff."; and

8  
9 Further amend said Page and Section, Line 45, by deleting all of said line and inserting in lieu  
10 thereof the following "7. Medication dispensed by a class A pharmacy located in a hospital to a  
11 hospital patient for use or administration"; and

12  
13 Further amend said Page and Section, Line 48, by inserting immediately after said line the following:

14  
15 "8. Medication dispensed by a hospital to a hospital patient for use or administration outside  
16 of the hospital shall be labeled as provided by rules promulgated by the department of health and  
17 senior services and the board including, medication distributed for administration by or under the  
18 supervision of a health care practitioner at a hospital clinic or facility."; and

19  
20 Further amend said bill by amending the title, enacting clause, and intersectional references  
21 accordingly.
