1 AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 824,  
2 Page 16, Section 67.281, Line 17, by inserting after all of said line the following:

3  
4 "67.313. 1. Beginning January 1, 2015, if approved by a majority of the voters voting on the  
5 proposal, any city, town, village, sewer district, or water supply district located within this state may,  
6 by order or ordinance, levy and impose annually, upon lateral sewer service lines providing sewer  
7 service to residential property having four or fewer dwelling units within the jurisdiction of such  
8 city, town, village, sewer district, or water supply district, a fee not to exceed three dollars per month  
9 or thirty-six dollars annually.

10 2. The ballot of submission shall be in substantially the following form:  
11 For the purpose of repair or replacement of lateral sewer service lines extending from the  
12 residential dwelling to its connection with the public sewer system line, due to failure of the line,  
13 shall ..... (city, town, village, sewer district, or water supply district) be authorized to impose a fee  
14 not to exceed three dollars per month or thirty-six dollars annually on residential property for each  
15 lateral sewer service line providing sewer service within the (city, town, village, sewer district, or  
16 water supply district) to a residential property having four or fewer dwelling units for the purpose of  
17 paying for the costs of necessary lateral sewer service line repairs or replacements?

18 3. For the purpose of this section, a lateral sewer service line may be defined by local order  
19 or ordinance, but shall not include more than the portion of the sewer line which extends from the  
20 sewer mains owned by the utility or municipality to the point of entry into the premises receiving  
21 sewer service, and shall not include facilities owned by the utility or municipality. For purposes of  
22 this section, repair may be defined and limited by local ordinance, and may include replacement or  
23 repairs.

24 4. If a majority of the voters voting thereon approve the proposal authorized in subsection 1  
25 of this section, the governing body of the city, town, village, sewer district, or water supply district  
26 may enact an order or ordinance for the collection of such fee. The funds collected under such  
27 ordinance shall be deposited in a special account to be used solely for the purpose of paying for the  
28 reasonable costs associated with and necessary to administer and carry out the lateral sewer service  
29 line repairs as defined in the order or ordinance and to reimburse the necessary costs of lateral sewer  
30 service line repair or replacement. All interest generated on deposited funds shall be accrued to the  
31 special account established for the repair of lateral sewer service lines.

32 5. The city, town, village, sewer district, or water supply district may establish, as provided  
33 in the order or ordinance, regulations necessary for the administration of collections, claims, repairs,  
34 replacements, and all other activities necessary and convenient for the implementation of any order  
35 or ordinance adopted and approved under this section. The city, town, village, sewer district, or  
36 water supply district may administer the program or may contract with one or more persons, through
