2. All growers shall keep records in accordance with rules adopted by the department. Upon 1 2 at least three days notice, the director of the department may audit the required records during 3 normal business hours. The director may conduct an audit for the purpose of ensuring compliance 4 with this section. 5 3. In addition to an audit conducted in accordance with subsection 2 of this section, the 6 director may inspect independently, or in cooperation with the state highway patrol or a local law 7 enforcement agency, any hemp crop during the crop's growth phase and take a representative 8 composite sample for field analysis. If a crop contains an average tetrahydrocannabinol (THC) 9 concentration exceeding the lessor of: 10 (1) Three-tenths of one percent on a dry weight basis; or (2) The percent based on a dry weight basis determined by the federal Controlled Substance 11 12 Act under 21 U.S.C. Section 801 et seq.. 13 4. A grower may produce, manufacture, and distribute hemp extract as defined in section 14 195.207 for the treatment of persons suffering from intractable epilepsy as defined in section 15 192.945 consistent with any and all state or federal regulations regarding the production, 16 manufacture, or distribution of such product. The department of agriculture and the department of 17 health and senior services shall establish rules and regulations regarding the manufacture, storage, 18 transportation, and distribution of hemp extract under this section which shall be in addition to any 19 other state or federal regulations. Each grower shall be granted no more than two certificates for the 20 growing and processing of hemp extract. 5. All hemp waste from the production of hemp extract shall either be destroyed, recycled by 21 the certificate holder at the hemp cultivation and production facility, or donated to the department or 22 23 an institution of higher education for research purposes, and shall not be used for commercial 24 purposes. 25 6. The department shall certify a grower to grow or cultivate the cannabis plant used to make 26 hemp extract as defined in subsection 1 of section 195.207 or hemp on its property if the grower has 27 submitted to the department an application as required by the department under subsection 8 of this 28 section. 29 7. The department shall maintain a list of hemp extract certificate holders. 30 8. The department shall promulgate rules including, but not limited to, application 31 requirements for certification, security requirements for cultivation and production facility premises, 32 including, at a minimum, lighting, physical security, video and alarm requirements, hemp 33 monitoring systems as defined in this section, and other procedures for internal control as deemed 34 necessary by the department to properly administer and enforce the provisions of this section, 35 including reporting requirements for changes, alterations, or modifications of the premises.
