FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue** and the **Department of Public Safety - Missouri Highway Patrol** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Boone County Sheriff's Department** state that additional revenue will be generated by lowering the eligibility age from 21 to 19. It is unknown how many persons 19 or 20 years of age will apply for CCW permits with the passage of this legislation. An increase in costs for labor in processing more applications, materials, printing, etc. will be incurred; however, neither are expected to be significant.

Officials from the Sheriff Offices of **Jackson County** and **Platte County** did not respond to our request for fiscal impact.

Applicants for a concealed carry permit must submit a nonrefundable fee not to exceed \$100 to the Sheriff to cover various costs included in the application process. **Oversight** assumes a minimal number of new applications will result from this bill and; therefore, will reflect a 'Minimal' amount of net fee revenue for the counties.
