FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Auditor** and the **Department of Transportation** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Office of the Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the Secretary of State's Office for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

Officials from the **Department of Revenue (DOR)** assume this proposal provides that license office contracts awarded to entities that are exempt from taxation under Section 501(c)(3) or 501(c)(6) of the Internal Revenue Code of 1986, as amended, and political subdivision, include but not limited to, municipalities, counties, and fire protection districts shall be for a term of ten years.

Currently contracts are awarded for a period ranging from four to five and one-half years. The Department does not anticipate a fiscal impact from this provision.
