## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Social Services - MO HealthNet Division (MHD)** assume this proposal is not directing the MHD to put together a new diabetes management program but rather to work together with the Department of Health and Senior Services, develop action plans, write reports with outcomes, costs, and impact estimates, and estimate what it would cost to develop new programs and budget requests. There will be no fiscal impact to MHD.

Officials from the **Department of Health and Senior Services** assume the proposal would not fiscally impact their agency.
