## **FISCAL ANALYSIS**

### **ASSUMPTION**

#### **§ 262.975 - Missouri International Agricultural Exchange Website:**

Officials at the **Department of Agriculture (AGR)** assumes this proposal would have a minimal fiscal impact on AGR and could be implemented with existing resources.

Officials from the **Office of the Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

Officials at the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Department of Economic Development** assume the proposal would not fiscally impact their agency.

**Oversight** assumes the website developer awarded the contract for development of the exchange website would be responsible for all costs related to this proposal.

**Oversight** assumes there is no fiscal impact from this proposed legislation on state or local government funds.

<u>FISCAL IMPACT - State Government</u>	FY 2015 (10 Mo.)	FY 2016	FY 2017

<u>FISCAL IMPACT - Local Government</u>	FY 2015 (10 Mo.)	FY 2016	FY 2017
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

Direct positive fiscal impact to small agricultural businesses and farms could be expected as a result of this proposal.

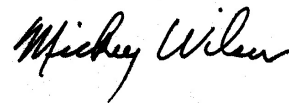

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
