24 (3) A description of what other specific actions will be taken to support
25 and encourage private investment within the area;

26 (4) A plan to ensure that resources are available to assist area residents
27 to participate in increased development through self-help efforts and in
28 ameliorating any negative effects of designation of the area as an enterprise zone;

29 (5) A statement describing the projected positive and negative effects of
30 designation of the area as an enterprise zone; and

31 (6) A specific plan to provide assistance to any person or business
32 dislocated as a result of activities within the zone. Such plan shall determine the
33 need of dislocated persons for relocation assistance; provide, prior to
34 displacement, information about the type, location and price of comparable
35 housing or commercial property; provide information concerning state and federal
36 programs for relocation assistance and provide other advisory services to
37 displaced persons. Public agencies may choose to provide assistance under the
38 Uniform Relocation and Real Property Acquisition Act, 42 U.S.C. section 4601,
39 et seq. to meet the requirements of this subdivision.

40 3. Notwithstanding the provisions of section 135.250, the director of the
41 department of economic development shall, prior to the designation of any
42 enterprise zone, submit to the joint committee on [economic development policy
43 and planning, established in section 620.602] **tax policy**, rules and regulations

44 pertaining to the designation of enterprise zones. Following approval by the joint
45 committee, such rules and regulations shall be issued pursuant to the provisions
46 of section 536.021. Upon approval of an enterprise zone designation by the
47 department, the director shall submit such enterprise zone designation to the
48 joint committee for its approval. An enterprise zone designation shall be effective
49 upon such approval by the joint committee. The director shall report annually
50 to the joint committee the number and location of all enterprise zones designated,
51 together with the business activity within each designated enterprise zone.

52 4. No more than fifty such areas may be designated by the director as an
53 enterprise zone under the provisions of this subsection, except that any enterprise
54 zones authorized apart from this subsection by specific legislative enactment, on
55 or after August 28, 1991, shall not be counted toward the limitation set forth in
56 this subsection. After fifty enterprise zones, plus any others authorized apart
57 from this subsection by specific legislative enactment first designated on or after
58 August 28, 1991, have been designated by the director, additional enterprise
59 zones may be authorized apart from this subsection by specific legislative
60 enactment, except that if an enterprise zone designation is cancelled under the
61 provision of subsection 5 of this section, the director may designate one area as
62 an enterprise zone for each enterprise zone designation which is cancelled.

63 5. Each designated enterprise zone or satellite zone must report to the
64 director on an annual basis regarding the status of the zone and business activity
65 within the zone. On the fifth anniversary of the designation of each zone after
66 August 8, 1989, and each five years thereafter, the director shall evaluate the
67 activity which has occurred within the zone during the previous five-year period,
68 including business investments and the creation of new jobs. The director shall
69 present the director's evaluation to the joint legislative committee on [economic
70 development policy and planning] **tax policy**. If the director finds that the plan
71 outlined in the application for designation was not implemented in good faith, or
72 if such zone no longer qualifies under the original criteria, or if the director finds
73 that the zone is not being effectively promoted or developed, the director may
74 recommend to the committee that the designation of that area as an enterprise
75 zone be cancelled. All agreements negotiated under the benefits of such zone
76 shall remain in effect for the originally agreed upon duration. The committee
77 shall schedule a hearing on such recommendation for not later than sixty days
78 after the recommendation is filed with it. At the hearing, interested parties,
79 including the director, may present witnesses and evidence as to why the

80 enterprise zone designation for that particular area should be continued or
81 cancelled. Within thirty days after the hearing the committee shall determine
82 whether or not the designation should be continued. If it is not continued, the
83 director shall remove the designation from the area and, following the procedures
84 outlined in this section, award the designation of an enterprise zone to another
85 applicant. If an area has requested a designated enterprise zone, and met all
86 existing statutory requirements, but has not been designated such, then the
87 applicant may appeal to the joint legislative committee on [economic development
88 policy and planning] **tax policy** for a hearing to determine its eligibility for such
89 a designation. The review of the director's evaluation and the hearing thereon,
90 and any appeal as provided for in this subsection, by the joint legislative
91 committee on [economic development policy and planning] **tax policy** shall be
92 an additional duty for that body.

135.230. 1. The exemption or credit established and allowed by section
2 135.220 and the credits allowed and established by subdivisions (1), (2), (3) and
3 (4) of subsection 1 of section 135.225 shall be granted with respect to any new
4 business facility located within an enterprise zone for a vested period not to
5 exceed ten years following the date upon which the new business facility
6 commences operation within the enterprise zone and such exemption shall be
7 calculated, for each succeeding year of eligibility, in accordance with the formulas
8 applied in the initial year in which the new business facility is certified as such,
9 subject, however, to the limitation that all such credits allowed in sections
10 135.225 and 135.235 and the exemption allowed in section 135.220 shall be
11 removed not later than fifteen years after the enterprise zone is designated as
12 such. No credits shall be allowed pursuant to subdivision (1), (2), (3) or (4) of
13 subsection 1 of section 135.225 or section 135.235 and no exemption shall be
14 allowed pursuant to section 135.220 unless the number of new business facility
15 employees engaged or maintained in employment at the new business facility for
16 the taxable year for which the credit is claimed equals or exceeds two or the new
17 business facility is a revenue-producing enterprise as defined in paragraph (d) of
18 subdivision (6) of section 135.200. In order to qualify for either the exemption
19 pursuant to section 135.220 or the credit pursuant to subdivision (4) of subsection
20 1 of section 135.225, or both, it shall be required that at least thirty percent of
21 new business facility employees, as determined by subsection 4 of section 135.110,
22 meet the criteria established in section 135.240 or are residents of an enterprise
23 zone or some combination thereof, except taxpayers who establish a new business

24 facility by operating a revenue-producing enterprise as defined in paragraph (d)
25 of subdivision (6) of section 135.200 or any taxpayer that is an insurance company
26 that established a new business facility satisfying the requirements of subdivision
27 (8) of section 135.100 located within an enterprise zone after June 30, 1993, and
28 before December 31, 1994, and that employs in excess of three hundred fifty new
29 business facility employees at such facility each tax period for which the credits
30 allowable pursuant to subdivisions (1) to (4) of subsection 1 of section 135.225 are
31 claimed shall not be required to meet such requirement. A new business facility
32 described as SIC 3751 shall be required to employ fifteen percent of such
33 employees instead of the required thirty percent. For the purpose of satisfying
34 the thirty-percent requirement, residents must have lived in the enterprise zone
35 for a period of at least one full calendar month and must have been employed at
36 the new business facility for at least one full calendar month, and persons
37 qualifying because they meet the requirements of section 135.240 must have
38 satisfied such requirement at the time they were employed by the new business
39 facility and must have been employed at the new business facility for at least one
40 full calendar month. The director may temporarily reduce or waive this
41 requirement for any business in an enterprise zone with ten or less full-time
42 employees, and for businesses with eleven to twenty full-time employees this
43 requirement may be temporarily reduced. No reduction or waiver may be granted
44 for more than one tax period and shall not be renewable. The exemptions allowed
45 in sections 135.215 and 135.220 and the credits allowed in sections 135.225 and
46 135.235 and the refund established and authorized in section 135.245 shall not
47 be allowed to any "public utility", as such term is defined in section 386.020. For
48 the purposes of achieving the fifteen-percent employment requirement set forth
49 in this subsection, a new business facility described as NAICS 336991 may count
50 employees who were residents of the enterprise zone at the time they were
51 employed by the new business facility and for at least ninety days thereafter,
52 regardless of whether such employees continue to reside in the enterprise zone,
53 so long as the employees remain employed by the new business facility and
54 residents of the state of Missouri.

55 2. Notwithstanding the provisions of subsection 1 of this section, motor
56 carriers, barge lines or railroads engaged in transporting property for hire or any
57 interexchange telecommunications company that establish a new business facility
58 shall be eligible to qualify for the exemptions allowed in sections 135.215 and
59 135.220, and the credits allowed in sections 135.225 and 135.235 and the refund

60 established and authorized in section 135.245, except that trucks, truck-trailers,
61 truck semitrailers, rail or barge vehicles or other rolling stock for hire, track,
62 switches, bridges, barges, tunnels, rail yards and spurs shall not constitute new
63 business facility investment nor shall truck drivers or rail or barge vehicle
64 operators constitute new business facility employees.

65 3. Notwithstanding any other provision of sections 135.200 to 135.256 to
66 the contrary, motor carriers establishing a new business facility on or after
67 January 1, 1993, but before January 1, 1995, may qualify for the tax credits
68 available pursuant to sections 135.225 and 135.235 and the exemption provided
69 in section 135.220, even if such new business facility has not satisfied the
70 employee criteria, provided that such taxpayer employs an average of at least two
71 hundred persons at such facility, exclusive of truck drivers and provided that
72 such taxpayer maintains an average investment of at least ten million dollars at
73 such facility, exclusive of rolling stock, during the tax period for which such
74 credits and exemption are being claimed.

75 4. Any governing authority having jurisdiction of an area that has been
76 designated an enterprise zone may petition the department to expand the
77 boundaries of such existing enterprise zone. The director may approve such
78 expansion if the director finds that:

79 (1) The area to be expanded meets the requirements prescribed in section
80 135.207 or 135.210, whichever is applicable;

81 (2) The area to be expanded is contiguous to the existing enterprise zone;
82 and

83 (3) The number of expansions do not exceed three after August 28, 1994.

84 5. Notwithstanding the fifteen-year limitation as prescribed in subsection
85 1 of this section, any governing authority having jurisdiction of an area that has
86 been designated as an enterprise zone by the director, except one designated
87 pursuant to this subsection, may file a petition, as prescribed by the director, for
88 redesignation of such area for an additional period not to exceed seven years
89 following the fifteenth anniversary of the enterprise zone's initial designation
90 date; provided:

91 (1) The petition is filed with the director within three years prior to the
92 date the tax credits authorized in sections 135.225 and 135.235 and the
93 exemption allowed in section 135.220 are required to be removed pursuant to
94 subsection 1 of this section;

95 (2) The governing authority identifies and conforms the boundaries of the

96 area to be designated a new enterprise zone to the political boundaries
97 established by the latest decennial census, unless otherwise approved by the
98 director;

99 (3) The area satisfies the requirements prescribed in subdivisions (3) and
100 (4) of section 135.205 according to the United States Census Bureau's American
101 Community Survey, based on the most recent of five-year period estimate data in
102 which the final year of the estimate ends in either zero or five or other
103 appropriate source as approved by the director;

104 (4) The governing authority satisfies the requirements prescribed in
105 sections 135.210, 135.215 and 135.255;

106 (5) The director finds that the area is unlikely to support reasonable tax
107 assessment or to experience reasonable economic growth without such
108 designation; and

109 (6) The director's recommendation that the area be designated as an
110 enterprise zone is approved by the joint committee on [economic development
111 policy and planning] **tax policy**, as otherwise required in subsection 3 of section
112 135.210.

113 6. Any taxpayer having established a new business facility in an
114 enterprise zone except one designated pursuant to subsection 5 of this section,
115 who did not earn the tax credits authorized in sections 135.225 and 135.235 and
116 the exemption allowed in section 135.220 for the full ten-year period because of
117 the fifteen-year limitation as prescribed in subsection 1 of this section, shall be
118 granted such benefits for ten tax years, less the number of tax years the benefits
119 were claimed or could have been claimed prior to the expiration of the original
120 fifteen-year period, except that such tax benefits shall not be earned for more
121 than seven tax periods during the ensuing seven-year period, provided the
122 taxpayer continues to operate the new business facility in an area that is
123 designated an enterprise zone pursuant to subsection 5 of this section. Any
124 taxpayer who establishes a new business facility subsequent to the
125 commencement of the ensuing seven-year period, as authorized in subsection 5
126 of this section, may qualify for the tax credits authorized in sections 135.225 and
127 135.235, and the exemptions authorized in sections 135.215 and 135.220,
128 pursuant to the same terms and conditions as prescribed in sections 135.100 to
129 135.256. The designation of any enterprise zone pursuant to subsection 5 of this
130 section shall not be subject to the fifty enterprise zone limitation imposed in
131 subsection 4 of section 135.210.

208.952. 1. There is hereby established [the] **a permanent** "Joint
2 Committee on MO HealthNet". [The committee shall have as its purpose the

23 **In the event of three consecutive absences on the part of any member,**

2 "Child Abuse and Neglect Review Board", which shall provide an independent review
3 of child abuse and neglect determinations in instances in which the alleged
4 perpetrator is aggrieved by the decision of the children's division. The division may
5 establish more than one board to assure timely review of the determination. **In**
6 **providing an independent review, the boards and their members shall**

59 this chapter.

217.550. 1. The department shall establish and operate at its correctional
2 centers a vocational enterprise program which includes industries, services,
3 vocational training, and agribusiness operations. The director shall have general
4 supervision over planning, establishment and management of all vocational
5 enterprise operations provided by and within the department and shall decide at
6 which correctional center each vocational enterprise shall be located, taking into

8 correctional center so the best service or distribution of labor may be secured,
9 location and convenience of the correctional centers in relation to the other
10 correctional centers to be supplied or served and the machinery presently
11 contained in each correctional center.

12 2. No service shall be established or renewed without prior approval by
13 the advisory board of vocational enterprises program established by section
14 217.555 [and the joint committee on corrections established by sections 21.440 to

35 vocational training programs, and agribusiness operations as requested by the
36 director.

217.567. 1. Notwithstanding the provisions of any other law to the

9 federal law, shall be competitively negotiated by the department and the private
10 entity, shall not result in the displacement of civilian workers employed in the
11 community or state, and shall be subject to the approval of the advisory board of

24 4. Subject to the approval of the director and upon such terms as may be
25 prescribed, any lessee operating such an enterprise may employ and discharge

Members of the commission also may be removed from office by concurrent resolution of the general assembly signed by the governor. If such resolution receives the vote of two-thirds or more of the membership of both houses of the general assembly, the signature of the governor shall not be necessary to effect removal. The office of any member of the commission who moves from the congressional district from which the member was appointed shall be deemed vacated upon such change of residence.

6. The commission shall elect biennially one of its members as the chairman. The chairman may not succeed himself or herself after two years. No member of the commission shall succeed as chairman any member of the same political party as himself or herself. 13. Within sixty days of the initial meeting of the first commission appointed, the commission shall obtain from the clerk of the supreme court or the state courts administrator a list of retired appellate and circuit court judges who did not leave the judiciary as a result of being defeated in an election. The executive director shall determine those judges who indicate their desire to serve as special investigators and to investigate any and all complaints referred to them by the commission. The executive director shall maintain an updated list of those judges qualified and available for appointment to serve as special investigators. Such list shall be updated at least annually. The commission shall refer complaints to such special investigators on that list on a rotating schedule which ensures a random assignment of each special investigator. Each special investigator shall receive only one unrelated investigation at a time and shall not be assigned to a second or subsequent investigation until all other eligible investigators on the list have been assigned to an investigation. In the event that no special investigator is qualified or available to conduct a particular investigation, the commission may appoint a special investigator to conduct such particular investigation.

14. The commission shall have the following duties and responsibilities relevant to the impartial and effective enforcement of sections 105.450 to 105.496 and chapter 130, as provided in sections 105.955 to 105.963:

194 section 105.959;

196 index of all such reports and statements to facilitate public access
197 to such information, except as may be limited by confidentiality
198 requirements otherwise provided by law, including cross-checking
199 of information contained in such statements and reports. The
200 commission may enter into contracts with the appropriate filing
201 officers to effectuate such system. Such filing officers shall
202 cooperate as necessary with the commission as reasonable and
203 necessary to effectuate such purposes;

204 (5) Provide information and assistance to lobbyists, elected

249 16. (1) Upon written request for an advisory opinion
250 received by the commission, and if the commission determines that
251 the person requesting the opinion would be directly affected by the
252 application of law to the facts presented by the requesting person,
253 the commission shall issue a written opinion advising the person
254 who made the request, in response to the person's particular
255 request, regarding any issue that the commission can receive a

270 if, after hearing thereon, the joint committee on administrative
271 rules finds that such advisory opinion is beyond or contrary to the
272 statutory authority of the commission or is inconsistent with the
273 legislative intent of any law enacted by the general assembly, and
274 after the general assembly, by concurrent resolution, votes to adopt
275 the findings and conclusions of the joint committee on
276 administrative rules. Any such concurrent resolution adopted by

281 commission, along with the withdrawn advisory opinion, in its
282 public file of advisory opinions. The commission shall also send a
283 copy of such resolution to the person who originally requested the
284 withdrawn advisory opinion. Any advisory opinion issued by the
285 ethics commission shall act as legal direction to any person
286 requesting such opinion and no person shall be liable for relying on
