660.404. 1. Whenever a duly authorized representative of the
2 **department finds upon an inspection of an adult day care program that**
3 **it is not in compliance with the provisions of sections 660.400 to 660.420**
4 **and the standards established thereunder, the operator shall be**
5 **informed of the deficiencies in an exit interview conducted with the**
6 **operator or his designee. The department shall inform the operator or**
7 **designee, in writing, of any violation of a class I standard at the time**
8 **the determination is made. If there was a violation of any class I**
9 **standard, immediate corrective action shall be taken by the operator**
10 **or designee and a written plan of correction shall be submitted to the**
11 **department. A written report shall be prepared of any deficiency and**
12 **a copy of such report and a written correction order shall be sent to the**

14 **provides a dated receipt of delivery at the adult day care program**
15 **address within ten working days after the inspection, stating separately**
16 **each deficiency and the specific statute or regulation violated.**

17 **2. The operator or designee shall have five working days**
18 **following receipt of a written report and correction order regarding a**
19 **violation of a class I standard and ten working days following receipt**

20 of the report and correction order regarding violations of class II or
21 class III standards to submit a plan of correction for the department's
22 approval which contains specific dates for achieving
23 compliance. Within five working days after receiving a plan of
24 correction regarding a violation of a class I standard and within ten
25 working days after receiving a plan of correction regarding a violation
26 of a class II or III standard, the department shall give its written
27 approval or rejection of the plan.

28 3. If there was a violation of a class I standard, an unannounced
29 reinspection shall be conducted within twenty calendar days of the exit
30 interview to determine if deficiencies have been corrected. If there was
31 a violation of any class II standard and the plan of correction is
32 acceptable, an unannounced reinspection shall be conducted between
33 forty and ninety calendar days from the date of the exit conference to
34 determine the status of all previously cited deficiencies. If there was
35 a violation of class III standards sufficient to establish that the adult
36 day care program was not in substantial compliance, an unannounced
37 reinspection shall be conducted within one hundred twenty days of the
38 exit interview to determine the status of previously identified
39 deficiencies.

40 4. In establishing standards for each type of adult day care
41 program, the department shall classify the standards into three
42 categories as follows:

43 (1) Class I standards are standards the violation of which would
44 present either an imminent danger to the health, safety or welfare of
45 any participant or a substantial probability that death or serious
46 physical harm would result;

47 (2) Class II standards are standards which have a direct or
48 immediate relationship to the health, safety or welfare of any
49 participant, but which do not create imminent danger;

50 (3) Class III standards are standards which have an indirect or
51 a potential impact on the health, safety or welfare of any participant.

52 5. Every adult day care program shall make available the most
53 recent inspection report of the adult day care program. If the operator
54 determines that the inspection report of the adult day care program
55 contains individually identifiable health information, the operator may
56 redact such information prior to making the inspection report
57 available.

58 6. If an adult day care program submits satisfactory
59 documentation that establishes correction of any deficiency contained
60 within the written report of deficiency required by section 600.404, an
61 on-site revisit of such deficiency may not be required.

62 7. If, following the reinspection, the adult day care program is
63 found not in substantial compliance with sections 660.400 to 660.420
64 and the standards established thereunder or the operator is not
65 correcting the noncompliance in accordance with the plan of
66 correction, the department shall issue a notice of noncompliance, which
67 shall be sent by certified mail or other delivery service that provides
68 a dated receipt of delivery to the operator of the adult day care
69 program, according to the most recent information or documents on file
70 with the department.

71 8. The notice of noncompliance shall inform the operator or
72 administrator that the department may seek the imposition of any
73 other action authorized by law.

74 9. At any time after an inspection is conducted, the operator may
75 choose to enter into a consent agreement with the department to obtain
76 a probationary license. The consent agreement shall include a
77 provision that the operator will voluntarily surrender the license if
78 substantial compliance is not reached in accordance with the terms and
79 deadlines established under the agreement. The agreement shall
80 specify the stages, actions and time span to achieve substantial
81 compliance.

82 10. Whenever a notice of noncompliance has been issued, the
83 operator shall post a copy of the notice of noncompliance and a copy of
84 the most recent inspection report in a conspicuous location in the adult
85 day care program, and the department shall send a copy of the notice
86 of noncompliance to concerned federal, state or local governmental
87 agencies.

 660.405. 1. The department may revoke a license in any case in
2 which it finds that:

3 (1) The operator failed or refused to comply with class I or II
4 standards, as established by the department pursuant to section
5 660.404; or failed or refused to comply with class III standards as
6 established by the department pursuant to section 660.404, where the
7 aggregate effect of such noncompliances presents either an imminent
8 danger to the health, safety or welfare of any participant or a

9 substantial probability that death or serious physical harm would
10 result;

11 (2) The operator refused to allow representatives of the
12 department to inspect the adult day care program for compliance with
13 standards or denied representatives of the department access to
14 participants and employees necessary to carry out the duties set forth
15 in this chapter and rules promulgated thereunder, except where
16 employees of the adult day care program are in the process of
17 rendering immediate care to a participant of such adult day care
18 program;

19 (3) The operator demonstrated financial incapacity to operate
20 and conduct the adult day care program in accordance with the
21 provisions of sections 660.400 to 660.420;

22 (4) The operator or any principals in the operation of the adult
23 day care program have ever been convicted of, or pled guilty or nolo
24 contendere to a felony offense concerning the operation of an adult day
25 care program, long-term health care facility or other health care
26 facility; or

27 (5) The operator or any principals in the operation of the adult
28 day care program are listed on the EDL maintained by the department.

29 2. Upon revocation of a license, the department shall so notify
30 the operator in writing, setting forth the reason and grounds for the
31 revocation. Notice of such revocation shall be sent either by certified
32 mail, return receipt requested, to the operator at the address of the
33 adult day care program, or served personally upon the operator. The
34 department shall provide the operator notice of such revocation at
35 least ten calendar days prior to its effective date.

[660.405.] **660.406.** 1. The provisions of sections [199.025 and] 660.403
2 to 660.420 shall not apply to the following:

3 (1) Any adult day care program operated by a person in which care is
4 offered for no more than two hours per day;

5 (2) Any adult day care program maintained or operated by the federal
6 government except where care is provided through a management contract;

7 (3) Any person who cares solely for persons related to the provider or who
8 has been designated as guardian of that person;

9 (4) Any adult day care program which cares for no more than four persons
10 unrelated to the provider;

11 (5) Any adult day care program licensed by the department of mental

12 health under chapter 630 which provides care, treatment and habilitation
13 exclusively to adults who have a primary diagnosis of mental disorder, mental
14 illness, [mental retardation] **intellectual disability**, or developmental disability
15 as defined;

16 (6) Any adult day care program administered or maintained by a religious
17 not-for-profit organization serving a social or religious function if the adult day
18 care program does not hold itself out as providing the prescription or usage of
19 physical or medical therapeutic activities or as providing or administering
20 medicines or drugs.

21 2. Nothing in this section shall prohibit any person listed in subsection
22 1 of this section from applying for a license or receiving a license if the adult day
23 care program owned or operated by such person conforms to the provisions of
24 sections [199.025 and] 660.403 to 660.420 and all applicable rules promulgated
25 pursuant thereto.

660.407. 1. The [director, or his authorized representative,] **department**
2 shall have the right to enter the premises of an applicant for or holder of a license
3 at any time during the hours of operation of a center to determine compliance
4 with provisions of sections [199.025 and] 660.403 to 660.420 and applicable rules
5 promulgated pursuant thereto. Entry shall also be granted for investigative
6 purposes involving complaints regarding the operations of an adult day care
7 program. The [division] **department** shall make at least two inspections per
8 year, at least one of which shall be unannounced to the operator or provider. The
9 [division] **department** may make such other inspections, announced or
10 unannounced, as it deems necessary to carry out the provisions of sections
11 [199.025 and] 660.403 to 660.420.

12 2. **The department may reduce the frequency of inspections to**
13 **once a year if an adult day care program is found to be in substantial**
14 **compliance. The basis for such determination shall include, but not be**
15 **limited to, the following:**

16 (1) **Previous inspection reports;**

17 (2) **The adult day care program's history of compliance with**
18 **rules promulgated pursuant to this chapter; and**

19 (3) **The number and severity of complaints received about the**
20 **adult day care program.**

21 3. The applicant for or holder of a license shall cooperate with the
22 investigation and inspection by providing access to the adult day care program,
23 records and staff, and by providing access to the adult day care program to
24 determine compliance with the rules promulgated pursuant to sections [199.025

25 and] 660.403 to 660.420.

26 [3.] 4. Failure to comply with any lawful request of the [division]
27 **department** in connection with the investigation and inspection is a ground for
28 refusal to issue a license or for the [suspension or] revocation of a license.

29 [4.] 5. The [division] **department** may designate to act for it, with full
30 authority of law, any instrumentality of any political subdivision of the state of
31 Missouri deemed by the [division] **department** to be competent to investigate
32 and inspect applicants for or holders of licenses.

660.409. Each application for a license, or the renewal thereof, issued
2 pursuant to sections [199.025 and] 660.403 to 660.420 shall be accompanied by
3 a nonrefundable fee in the amount required by the [division] **department**. The
4 fee, to be determined by the [director of the division] **department**, shall not
5 exceed one hundred dollars and shall be based on the licensed capacity of the
6 applicant.

660.411. The [division] **department** shall [offer] **create an adult day**
2 **care program manual in partnership with the provider association to**
3 **establish uniformity across the state and shall offer regional training**
4 **sessions in order to provide** technical assistance or consultation to assist
5 applicants for or holders of licenses [or provisional licenses] in meeting the
6 requirements of sections [199.025 and] 660.403 to 660.420, staff qualifications,
7 and other aspects involving the operation of an adult day care program, and to
8 assist in the achievement of programs of excellence related to the provision of
9 adult day care. **The program manual and regional training sessions**
10 **required under this section shall be made available to adult day care**
11 **programs by January 1, 2015.**

660.414. 1. Whenever the [division] **department** is advised or has
2 reason to believe that any person is operating an adult day care program without
3 a license, [or provisional license,] or that any holder of license[, or provisional
4 license] is not in compliance with the provisions of sections [199.025
5 and] 660.403 to 660.420, the [division] **department** shall make an investigation
6 and inspection to ascertain the facts. If the [division] **department** is not
7 permitted access to the adult day care program in question, the [division]
8 **department** may apply to the circuit court of the county in which the program
9 is located for an order authorizing entry for inspection. The court shall issue the
10 order if it finds reasonable grounds necessitating the inspection.

11 2. If the [division] **department** finds that the adult day care program is
12 being operated in violation of sections [199.025 and] 660.403 to 660.420, it may
13 seek, among other remedies, injunctive relief against the adult day care program.

660.416. 1. Any person aggrieved by an official action of the [division] **department** either refusing to issue a license or revoking [or suspending] a license may seek a determination thereon by the administrative hearing commission pursuant to the provisions of section [161.272, et seq.] **621.045**; except that, the petition must be filed with the administrative hearing commission within thirty **calendar** days after the [mailing or] delivery of notice to the applicant for or holder of such license or certificate. When the notification of the official action is mailed to the applicant for or holder of such a license, there shall be included in the notice a statement of the procedure whereby the applicant for or holder of such license may appeal the decision of the [division] **department** before the administrative hearing commission. It shall not be a condition to such determination that the person aggrieved seek a reconsideration, a rehearing or exhaust any other procedure within the [division] **department**.

2. 15 program will monitor to ensure that solutions are sustained.

18 under sections 660.403 to 660.420. The IDR process, including
19 conferences, shall constitute an informal administrative process and
20 shall not be construed to be a formal evidentiary hearing. Use of IDR

22 or additional legal actions.

24 whether a cited deficiency as evidenced by a statement of deficiencies
25 against a program shall be upheld. The IDR process shall include the

31 (2) Within ten working days of receipt of the statement of
32 deficiencies, the program shall return a plan of correction to the
33 department. Within such ten-day period, the program may request in

41 contention that the deficiencies were erroneously cited. The program
42 may be accompanied by counsel during the IDR conference. The type

52 transmit the decision and rationale for the outcome in writing to the
53 program.

54 5. If the original statement of deficiencies should be changed as
55 a result of the IDR conference, the department shall transmit a revised
56 statement of deficiencies to the program with the notification of the
57 determination within ten calendar days of the decision to change the
58 statement of deficiencies.

59 6. Within ten working days of receipt of the determination and
60 the revised statement of deficiencies, the program shall submit a plan
61 of correction to the department.

62 7. The department shall not post on its website any information
63 about the deficiencies which are in dispute unless the dispute
64 determination is made and the program has responded with a revised
65 plan of correction, if needed.

67 536.010 that is created under the authority delegated in this section

71 vested with the general assembly pursuant to chapter 536, to review, to
72 delay the effective date, or to disapprove and annul a rule are
73 subsequently held unconstitutional, then the grant of rulemaking
74 authority and any rule proposed or adopted after August 28, 2014, shall
75 be invalid and void.

660.424. Adult day care programs licensed under sections 660.403
2 to 660.420 shall evaluate the program rate structure in FY 2015 and
