To repeal section 302.181, RSMo, and to enact in lieu thereof one new section relating to nondriver's identification for seniors.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 302.181, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 302.181, to read as follows:

302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic or other comparable material. All licenses shall be manufactured of materials and processes that will prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge, or duplicate any license without ready detection. All licenses shall bear the licensee's Social Security number, if the licensee has one, and if not, a notarized affidavit must be signed by the licensee stating that the licensee does not possess a Social Security number, or, if applicable, a certified statement must be submitted as provided in subsection 4 of this section. The license shall also bear the expiration date of the license, the classification of the license, the name, date of birth, residence address including the county of residence or a code number corresponding to such county established by the department, and brief description and colored photograph or digitized image of the licensee, and a facsimile of the signature of the licensee. The director shall provide by administrative rule the procedure and format for a licensee to indicate on the back of the license together with the designation for an anatomical gift as provided in section 194.240 the name and address of the person designated pursuant to sections 404.800 to 404.865 as the licensee's attorney in fact for the purposes of a durable power of attorney for health care decisions. No license shall be valid until it has been so signed by the licensee. If any portion of the license is

18 prepared by a private firm, any contract with such firm shall be made in accordance with the
19 competitive purchasing procedures as established by the state director of the division of
20 purchasing. For all licenses issued or renewed after March 1, 1992, the applicant's Social
21 Security number shall serve as the applicant's license number. Where the licensee has no Social
22 Security number, or where the licensee is issued a license without a Social Security number in
23 accordance with subsection 4 of this section, the director shall issue a license number for the
24 licensee and such number shall also include an indicator showing that the number is not a Social
25 Security number.

26 2. All film involved in the production of photographs for licenses shall become the
27 property of the department of revenue.

28 3. The license issued shall be carried at all times by the holder thereof while driving a
29 motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any
30 police officer or peace officer, or any other duly authorized person, for inspection when demand
31 is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any
32 duly authorized officer shall be presumptive evidence that such person is not a duly licensed
33 operator.

34 4. The director of revenue shall issue a commercial or noncommercial driver's license
35 without a Social Security number to an applicant therefor, who is otherwise qualified to be
36 licensed, upon presentation to the director of a certified statement that the applicant objects to
37 the display of the Social Security number on the license. The director shall assign an
38 identification number, that is not based on a Social Security number, to the applicant which shall
39 be displayed on the license in lieu of the Social Security number.

40 5. The director of revenue shall not issue a license without a facial photograph or digital
41 image of the license applicant, except as provided pursuant to subsection 8 of this section. A
42 photograph or digital image of the applicant's full facial features shall be taken in a manner
43 prescribed by the director. No photograph or digital image will be taken wearing anything which
44 cloaks the facial features of the individual.

45 6. The department of revenue may issue a temporary license or a full license without the
46 photograph or with the last photograph or digital image in the department's records to members
47 of the Armed Forces, except that where such temporary license is issued it shall be valid only
48 until the applicant shall have had time to appear and have his or her picture taken and a license
49 with his or her photograph issued.

50 7. The department of revenue shall issue upon request a nondriver's license card
51 containing essentially the same information and photograph or digital image, except as provided
52 pursuant to subsection 8 of this section, as the driver's license upon payment of six dollars. All
53 nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance.

54 **Notwithstanding any other law, the department of revenue shall renew the nondriver's**
55 **license of any person sixty years of age or older who has granted someone legal power of**
56 **attorney for such purpose, provided he or she has met all other requirements of this**
57 **section, and shall not require the physical presence of the nondriver's license holder for**
58 **such renewal.** A person who has passed his or her seventieth birthday shall upon application
59 be issued a nonexpiring nondriver's license card. Notwithstanding any other provision of this
60 chapter, a nondriver's license containing a concealed carry endorsement shall expire three years
61 from the date the certificate of qualification was issued pursuant to section 571.101, as section
62 571.101 existed prior to August 28, 2013. The fee for nondriver's licenses issued for a period
63 exceeding three years is six dollars or three dollars for nondriver's licenses issued for a period
64 of three years or less. The nondriver's license card shall be used for identification purposes only
65 and shall not be valid as a license.

66 8. If otherwise eligible, an applicant may receive a driver's license or nondriver's license
67 without a photograph or digital image of the applicant's full facial features except that such
68 applicant's photograph or digital image shall be taken and maintained by the director and not
69 printed on such license. In order to qualify for a license without a photograph or digital image
70 pursuant to this section the applicant must:

71 (1) Present a form provided by the department of revenue requesting the applicant's
72 photograph be omitted from the license or nondriver's license due to religious affiliations. The
73 form shall be signed by the applicant and another member of the religious tenant verifying the
74 photograph or digital image exemption on the license or nondriver's license is required as part
75 of their religious affiliation. The required signatures on the prescribed form shall be properly
76 notarized;

77 (2) Provide satisfactory proof to the director that the applicant has been a United States
78 citizen for at least five years and a resident of this state for at least one year, except that an
79 applicant moving to this state possessing a valid driver's license from another state without a
80 photograph shall be exempt from the one-year state residency requirement. The director may
81 establish rules necessary to determine satisfactory proof of citizenship and residency pursuant
82 to this section;

83 (3) Applications for a driver's license or nondriver's license without a photograph or
84 digital image must be made in person at a license office determined by the director. The director
85 is authorized to limit the number of offices that may issue a driver's or nondriver's license
86 without a photograph or digital image pursuant to this section.

87 9. The department of revenue shall make available, at one or more locations within the
88 state, an opportunity for individuals to have their full facial photograph taken by an employee

89 of the department of revenue, or their designee, who is of the same sex as the individual being
90 photographed, in a segregated location.

91 10. Beginning July 1, 2005, the director shall not issue a driver's license or a nondriver's
92 license for a period that exceeds an applicant's lawful presence in the United States. The director
93 may, by rule or regulation, establish procedures to verify the lawful presence of the applicant and
94 establish the duration of any driver's license or nondriver's license issued under this section.

95 11. No rule or portion of a rule promulgated pursuant to the authority of this chapter
96 shall become effective unless it is promulgated pursuant to the provisions of chapter 536.
