

SECOND REGULAR SESSION
HOUSE COMMITTEE SUBSTITUTE FOR
HOUSE BILL NO. 1895
97TH GENERAL ASSEMBLY

6079L.03C

D. ADAM CRUMBLISS, Chief Clerk

AN ACT

To repeal section 162.1250, RSMo, and to enact in lieu thereof one new section relating to attribution of attendance for virtual course work.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 162.1250, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 162.1250, to read as follows:

162.1250. 1. School districts shall receive state school funding under sections 163.031, 163.043, and 163.087 for resident students who are enrolled in the school district and who are taking a virtual course or full-time virtual program offered by the school district. The school district may offer instruction in a virtual setting using technology, intranet, and internet methods of communications that could take place outside of the regular school district facility. The school district may develop a virtual program for any grade level, kindergarten through twelfth grade, with the courses available in accordance with district policy to any resident student of the district who is enrolled in the school district. Nothing in this section shall preclude a private, parochial, or home school student residing within a school district offering virtual courses or virtual programs from enrolling in the school district in accordance with the combined enrollment provisions of section 167.031 for the purposes of participating in the virtual courses or virtual programs.

2. Charter schools shall receive state school funding under section 160.415 for students enrolled in the charter school who are completing a virtual course or full-time virtual program offered by the charter school. Charter schools may offer instruction in a virtual setting using technology, intranet, and internet methods of communications. The charter school may develop a virtual program for any grade level, kindergarten through twelfth grade, with the courses

18 available in accordance with school policy and the charter school's charter to any student enrolled
19 in the charter school.

20 3. For purposes of calculation and distribution of state school funding, attendance of a
21 student enrolled in a district or charter school virtual class shall equal, upon course completion,
22 ninety-four percent of the hours of attendance possible for such class delivered in the nonvirtual
23 program in the student's resident district or charter school. **In the case of a student who is a**
24 **candidate for A+ tuition reimbursement and taking a virtual class under this section, the**
25 **school shall not attribute ninety-four percent attendance to such student for such class, but**
26 **shall attribute no less than ninety-five percent attendance to any such student who has**
27 **completed such virtual class.** Course completion shall be calculated in two increments, fifty
28 percent completion and one hundred percent completion, based on the student's completion of
29 defined assignments and assessments, with distribution of state funding to a school district or
30 charter school at each increment equal to forty-seven percent of hours of attendance possible for
31 such course delivered in the nonvirtual program in a student's school district of residence or
32 charter school.

33 4. When courses are purchased from an outside vendor, the district or charter school
34 shall ensure that they are aligned with the show-me curriculum standards and comply with state
35 requirements for teacher certification. The state board of education reserves the right to request
36 information and materials sufficient to evaluate the online course. Online classes should be
37 considered like any other class offered by the school district or charter school.

38 5. Any school district or charter school that offers instruction in a virtual setting,
39 develops a virtual course or courses, or develops a virtual program of instruction shall ensure that
40 the following standards are satisfied:

41 (1) The virtual course or virtual program utilizes appropriate content-specific tools and
42 software;

43 (2) Orientation training is available for teachers, instructors, and students as needed;

44 (3) Privacy policies are stated and made available to teachers, instructors, and students;

45 (4) Academic integrity and internet etiquette expectations regarding lesson activities,
46 discussions, electronic communications, and plagiarism are stated to teachers, instructors, and
47 students prior to the beginning of the virtual course or virtual program;

48 (5) Computer system requirements, including hardware, web browser, and software, are
49 specified to participants;

50 (6) The virtual course or virtual program architecture, software, and hardware permit the
51 online teacher or instructor to add content, activities, and assessments to extend learning
52 opportunities;

53 (7) The virtual course or virtual program makes resources available by alternative means,
54 including but not limited to, video and podcasts;

55 (8) Resources and notes are available for teachers and instructors in addition to
56 assessment and assignment answers and explanations;

57 (9) Technical support and course management are available to the virtual course or
58 virtual program teacher and school coordinator;

59 (10) The virtual course or virtual program includes assignments, projects, and
60 assessments that are aligned with students' different visual, auditory, and hands-on learning
61 styles;

62 (11) The virtual course or virtual program demonstrates the ability to effectively use and
63 incorporate subject-specific and developmentally appropriate software in an online learning
64 module; and

65 (12) The virtual course or virtual program arranges media and content to help transfer
66 knowledge most effectively in the online environment.

67 6. Any special school district shall count any student's completion of a virtual course or
68 program in the same manner as the district counts completion of any other course or program for
69 credit.

70 7. A school district or charter school may contract with multiple providers of virtual
71 courses or virtual programs, provided they meet the criteria for virtual courses or virtual
72 programs under this section.
