

HB 1072 -- GOLD STAR LICENSE PLATES

SPONSOR: Gosen

Currently, the Department of Revenue may issue a "Gold Star" license plate to specified family members of a member of the United States military who was a resident of this state and who was killed in the line of duty upon receipt of an annual \$15 application fee plus the regular registration fee for a one-year plate or upon a biennial application fee of \$30 plus the regular registration fee for a two-year plate. This bill repeals the annual or biennial application fee requirement and requires the family member to only pay the regular registration fee in order to be issued the special personalized plate.
