

HB 1078 -- PUBLIC WATER FLUORIDATION

SPONSOR: Lichtenegger

This bill requires any public water system or public water supply district intending to permanently cease fluoridation of its water supply to notify the departments of Natural Resources and Health and Senior Services and its customers of its intentions at least 30 days before any vote on the matter. The system or district must notify its customers by mail at least 30 days before any meeting at which the vote will occur.

The bill contains an emergency clause.
